The Churchmembers' Life Insurance Company

Is an old line legal reserve company operating by mail on a mutual non-profit basis in behalf of all of its insured members, both clergymen and laymen and their children—of both sexes and of all faiths.

We have quite a full line of all kinds of life insurance and casualty insurance for our members, including hospitalization.

Co-operative terms are offered to all clergymen and their families, enabling some clergymen with low salaries to supplement their earnings through their co-operation in helping to foster and build up the number of members in our Churchmembers' Life Insurance Company. For full particulars any interested clergyman is invited to correspond with the home office in Indianapolis as indicated in this copy. Some clergymen who have been active in co-operating with us heretofore in building up our members have not only earned enough to pay for their premiums on their families for the insurance which they are carrying in the Churchmembers' Life Insurance Company, but also to supplement the cost of living besides.

This Company was brought into existence by a Methodist Clergyman under the auspices of the Bishop and District Superintendents of The Methodist Church. Full information, without obligation, free to all inquirers. Write us now, by postal card or letter.

From 1881 to 1953, a period of 73 sessions of the Conference, the Indiana Conference has had three secretaries, an average length of service of just a little less than 25 years. R. A. Kemp became Secretary of the session of 1881 and relinquished the position at the session of 1909. At the close of the session of 1909, Harry W. Baldridge was elected Secretary, and served until the close of the session of 1940, having served 31 sessions as Secretary. The present Secretary took office at the close of the session of 1940, and is still hopeful of completing this quadrennium, for which he has been elected. VII. REPORTS

(A) DISTRICT SUPERINTENDENTS

(1) BLOOMINGTON DISTRICT

William Talbott Jones, Superintendent

Bishop Richard C. Raines and Members of the Indiana Conference:

This statement is my third brief report of the work of the Bloomington District to the Indiana Annual Conference. This report is presented in three major parts:—

A Accomplishments During the Conference Year.

1. Finance. The forty-two charges paid—

For Ministerial Support	$141,031	
Administrative Funds	7,755	
World Service & Conference Benevolences	29,904	—gain 2738
Advance and Special Projects Funds	12,401	—gain 1614
Women's Society of Christian Service	13,429	
Week of Dedication	352	
Other General and Conference Benevolences	1,893	
Making a grand total for all causes	$514,416	

2. Christian Education Activities.

The Conference Board of Education, through its staff, has given our district valuable help this year. Mrs. Nickel, Staff Assistant, conducted a leadership training school in one of our small churches. Miss Standiford, Conference Director of Children's Work, directed an Observation School in Bloomington which was open to surrounding churches. Both of these ladies joined Rev. Hewitt, in visiting five churches in the district where a vigorous program of instruction for teachers and officers was provided. And all three of the staff led our district in a Worship Clinic which gave practical help to leaders of worship in the church school.

The Executive Secretary has visited eleven churches in the district, spending the best part of a day helping the churches improve their program of Christian Education. In addition to this he has served on the Lay Preacher Committee, helping to set up a training program for those who are willing to prepare themselves for service. The Executive Secretary also provided the program for the ministers' meeting for four months, revising such things as the use of Methodist literature, new trends in Christian education, and the work of the new Commissions on Education in the local Church.

We commend those who have made use of this help which is available to all the churches, and we would encourage a more wide-spread use of this help.

3. Evangelism.

Number of Conversions or decisions reported	1436
Number of Baptisms reported	565
Babies	289
Adults	276
Received on Profession of Faith	993
Received by transfer of membership	640
From other Methodist churches	480
From other denominations	169
Members lost by death	219

Net (gain or loss) of members — Loss of 773

B. Program for the new Conference year.

The district Policy Committee has a well planned program outlined covering the major objectives of the district.

1. The first feature is a District Calendar correlated with the Annual Conference and Area Calendars.

2. Special financial goals and apportionments will be emphasized by means of charts displayed at district gatherings.
3. The program of Evangelism will be given a three-fold emphasis: A. Reactivation of Methodist members. B. Better training of new members. C. The launching of a Lay-Preacher program to assist pastors and make surveys for new churches and to reopen old ones in strategic centers if and when warranted.
4. The work of the Four Commissions of the Local Church is to receive major consideration this Conference year. All pastors will call each Commission, one at a time, for study of duties and plan of action, immediately following adjournment of Conference. We have confidence in the Commission plan.
5. Every church in the Bloomington District is expected to have an Advance Special Project to support. Special efforts are underway to assure success.

C. Appreciation.

I cannot bring this report to a close without expressing deep appreciation for the work and spirit of our pastors and families. Twenty-six pastors receive a salary of less than $3000.00 per year. Three have no parsonages furnished them, yet they carry on happily somehow. I thought my wife could stretch a dollar farther and keep it longer than anybody, but we bow in respect to these preachers. We wonder how they do it. Thank God they never quit. We have wonderful laymen—none better anywhere—but we do wish they better understood the struggles of many of our preachers. This last statement is not a criticism, but rather the expression of a hope, and there are many indications of a renewed vigor among our Laymen. New leadership is arising in many of our churches all across the district. This enlarged vision and dedication of time, talent and substance is very greatly appreciated. May the good work continue through the years ahead.

(2) COLUMBUS DISTRICT

Norbert G. Talbott, Superintendent

Bishop Raines and Members of the Indiana Conference:

This is my sixth and final report to the Indiana Conference as the Superintendent of the Columbus District. The years spent in this office have been filled with experiences of a varied and interesting character. Some of the richest and most treasured friendships of my life have been formed, some of the most satisfying experiences with God and spiritual truth have been mine and transformations which truly are miraculous, in the New Testament sense of that word, have been seen both in church groups and individuals. Again and again I have been inspired, encouraged and strengthened by the spirit of devotion and the manifestation of Christ-like love for God and His Church revealed in the lives of both ministers and lay members. In some of the most unexpected circumstances and many times through persons little known across the Conference the true character of a follower of our Lord and Christ has been revealed. I have been remindd that it is not by might nor by power but by the love of God that our purpose is accomplished.

One hardly can come to the end of six years of administrative responsibility without being aware of the fact that those years are marked by mistakes and failures as well as by achievements and success. While every mistake and failure is deeply regretted an effort has been made to profit by each and to prevent the recurrence of any one of them. As in every situation, the achievements which might be listed would appear in their true significance only if it were possible to have a full understanding of the complete background against which they were wrought. While it is not possible to give such a background at this time, nevertheless attention is called to several items.

Part time to Full time Support

Six charges which formerly were supporting only part-time ministerial leadership now are supporting full time leadership and developing full-orbed programs. These are Cross Plains, Crothersville, Hartsville, Kent, North Madison and Hanover.

New Parsonages

Seven new parsonages have been provided. These are at Bright, Crothersville, East Columbus, Hanover, Kent, Lawrenceburg, Napoleon and North Vernon.

Parsonages Remodeled

The parsonages at Cross Plains, Kent and Manchester which were not being used have been renovated and now are being occupied, thus permitting these churches to have ministers in the community.

Churches With Extensive Improvements

Seventeen of our churches have had extensive improvement and building programs. The Aurora Church is beginning a $50,000 program which will result in added rooms and equipment for church-school purposes, an improved and redecorated sanctuary, a new organ and exterior repairs and improvements. An entirely new church building has been erected at Brownstown, furnishing one of the loveliest sanctuaries in the District with well-equipped church school facilities. An educational unit has been erected at Columbus, the entire exterior of the church building cleaned and repaired and a new pipe organ installed. A new church building and educational unit is being erected in East Columbus on a new site purchased in a more serviceable location within the community. Plans have been adopted and enough money is in hand to begin an educational unit at Crothersville. The congregation of our church in Dillsboro has erected a beautiful stone and block educational unit for the use of their church school. The exterior of Trinity Church, Madison, has been cleaned and repaired, the sanctuary redecorated, a new organ installed and the educational unit repainted. This church stands today as one of our beautiful old houses of worship. Extensive repairs likewise have been made upon the parsonage. Hamline Chapel, Lawrenceburg, has been renovated and beautified. Extensive repairs and improvements are being made on the church building at North Vernon. The building of a new parsonage is making it possible to remodel the old parsonage and to use it for educational purposes.

The congregation at Rising Sun has enlarged and improved its church and church school facilities, redecorated the sanctuary and furnished it with new pews. The buildings of both First Church and Trinity Church in Seymour have been completely redecorated within and repaired without. Our churches at Benham, Bennington, Freetown, Pleasant Grove (on the Cross Plains Charge) and St. Paul (on the Manchester Charge) also are a part of this list. Construction of the church building at Hartsville will begin during the coming Conference year. The many and generous contributions made by friends of this congregation following the destructive fire of some months ago is making this possible.

Christian Education

A well planned program directing the work of Christian education within our churches has been developed under the leadership of our Conference and District staffs of Christian Education. As a part of this program for the coming Conference year, our District staff will provide "caravans" which will go into various carefully selected centers of the District and provide leadership for the instruction and inspiration of local church workers on all age levels. Regularly held District and Sub-District meetings likewise are planned for the youth and young adult groups of our local churches. As in previous years, a three day planning conference will be held by the District Staff near the close of the year at which time plans for the new year will be made.

Men's Work

A very marked development has been seen in the men's work of the District. Capable and dependable lay leadership on the District and Sub-District level is steadily developing stronger lay leadership in local churches and a greater awareness of the needs for attention to, and cooperation with, the District and Conference programs of the church. An increasing emphasis is being placed upon intelligent Christian stewardship.

Women's Work

Year by year has seen the Woman's Society of Christian Service develop its strength and increase its achievements across the District. Its enrollment has increased, the amount of its yearly contributions to its world wide program has grown year by year, and there has been a growing number of study classes held under the direction of the Society in local churches.

Evangelism

Evangelism has been presented as the spreading of the good news of life with God through Jesus Christ. We have recognized a variety of means and methods as being legitimate, effective and wholesome in achieving this end and in our planning have tried to use each method wisely and effectively. "Retreats" have been held for our ministers, exchange of pulpits have been arranged for revival and special evangelistic services. District wide visitation evangelism has been conducted and special efforts have been encouraged in every local church. As a result, many of our churches give an indisputable evidence of a deepened and enriched spiritual life, an increased awareness of the character and ultimate purpose of the Christian Way of Life, and a more effective impact upon the community for Jesus Christ. Increased World Service giving, a response over and above that which was asked in the "Advance For Christ" program and the meeting of our other benevolent budgets likewise are the fruitage of new spiritual life, enlightened minds, warmed hearts, controlled wills and dedicated lives.

Missionary Education

Each year an effort has been made to stimulate missionary education in the local church. This has been done through District and Sub-District Missionary Institutes, the emphasizing of missionary material and literature, and the constant lifting of missionary needs and opportunities. While there are many churches across the District which, as yet, have not entered into this part of our program of Christian living, there has been a very marked and gratifying increase in the number which have. Increased benevolent giving is but one of the evidences of fruitage.

Interests Ahead

Our Conference Building Program challenges every District and local church to unprecedented efforts to meet unprecedented needs and opportunities. The Columbus District is prepared to face that challenge.

Under the able leadership of the Layman's organization of the District every local church has been introduced to this program. More than that, our laymen are being well organized under the direction of Mr. S. R. Walsman and Mr. Orphie Bridges to carry this program into every local church with effectiveness and definite success. Working with them will be the ministers who are keenly aware of the opportunities to meet human need in the spirit of love through the program of Church Extension and the erection of a Home for the Aged.

Two outstanding examples of the urgent need for Church extension are to be found within the bounds of this District. One is in North Columbus where a "fringe area" of population development contains nearly five hundred new homes without a church of any character within its radius. With the continued rate of growth, the coming year will see another hundred new homes in this locality. The other example is at Hanover where the erection of a new electric power plant is bringing hundreds of new families to that community. For the first time in years, we have a full time effective minister leading our Methodist congregation whose church is but a few blocks from the campus of Hanover College. During the past year a lovely new parsonage has been erected and will be paid for within the next few weeks. This is one of Methodism's great opportunities.

Having mentioned these two situations, we call attention to the fact that they are but a part of a goodly number of places within the bounds of the Conference which need the full and sacrificial support of every member of our fellowship.

As the new Superintendent takes up his duties here I am sure he will find one of the grandest and most loyal groups of ministers and laymen to be found anywhere. He will learn to love them as I have learned to love them and he will find a reception that will warm his heart and soul.

Conclusion

In closing may I again express my deep and sincere appreciation for the patience, cooperation and Christian fellowship which have been manifested by so many and under so many circumstances. Any degree of success that can be found is due to those with whom it has been my privilege to work and to the ever-present Love and Power of God.

(3) EVANSVILLE DISTRICT

D. L. Browning, Superintendent

Bishop Raines, Members of the Indiana Conference and Friends:

My first word is one of appreciation of the genial and gracious leadership of Dr. Clarence A. Shake, who preceded me in this office. Everywhere, because of his attitude, the position is held in high regard by both ministers and laymen. I am happy to relate that, in large measure, this attitude of respect has been accorded to me as I have been learning how to become a district superintendent.

Debra Kay Criswell, William Ralph Walters, Connie Sue Luttrell, Catherine Kell and David Romule Buchanan arrived during the year to bring joy to five of our parsonage homes. The all-wise Father called to His nearer presence two precious women—Mrs. Victor Link and Mrs. Lewis H. Ice. After conference Don Bassett assumed the pastorate of the Gibson County Parish and of Griffin. Upon the separation of Hatfield and Richland churches, Ronald Hamilton became the pastor at Hatfield and Romule S. Buchanan at Richland. The Selvin charge became vacant when Lester Howard left our ministry. Paul Burns has assumed the leadership of Selvin charge. Kenneth Burns and Wayne Helmerich have entered our ranks as supply pastors.

The church at Zoar and the educational building at Rockport have been dedicated free of debt. The educational building at Poseyville has been completed and the one at First Church, Princeton, will be completed in midsummer. A new parsonage has been purchased at Richland and one is under construction at Epworth and another is in the planning stage at Blue Grass. This fall the present building at Methodist Temple will be dedicated free of debt and the financing of the next unit will be begun.

Richland, Hatfield, New Harmony and Chandler are joining the ranks of Station charges. The famous Blue Grass circuit will become two charges this conference, each having a separate pastor. Thus these churches will be able to have a church service every Sunday.

Evansville College, an institution sponsored by the city of Evansville and the Indiana Conference of the Methodist Church, is one of southern Indiana Methodism's greatest assets. The administration of the college, under the leadership of Dr. Lincoln Hale, has shown an eagerness to make the institution highly useful in training lay and professional workers for the churches. The addition of a new faculty member, with primary responsibility for the rural church, will enhance the worth of the college's service to the churches.

The statistics will reveal that our pastors and laymen, almost without exception, are accepting their responsibility for leadership in every aspect of the church's life. We are strengthening our programs for youth and for men. We are alert to our evangelistic responsibility. Our Woman's Society of Christian Service passes from the capable presidency of Mrs. Joe Melton to the equally capable leadership of Mrs. Roy Priest.

Paul Burns, having accepted the leadership of the Selvin charge, has turned his lay leadership of the district over to Ernest Jones, Sr. Lowell Dunigan has assumed the leadership of Methodist Men. We are recruiting lay speakers for occasional leadership in small churches.

My report would be incomplete without paying tribute to the gracious leadership of Bishop Richard C. Raines and expressing appreciation to my colleagues in the district superintendency whose leadership has both inspired me and kept me humble.

(4) INDIANAPOLIS DISTRICT

C. T. Alexander, Superintendent

The Superintendent of the Indianapolis District is very proud of the group of fine ministers and host of loyal laymen who, with glorious spirit and gratifying effort, have made the past year one of progress. They have accomplished much this year in building the Kingdom and have laid foundations for even greater achievement in the years to come. We pause to give

God the glory and thanks for the great way in which He has blessed our efforts.

Evangelism

The chief emphasis this year has been placed on winning men to Christ. On December 7 we joined in the city-wide survey made under the leadership of the Indianapolis Church Federation, with our own Albert Ashley as chairman. Catholics, Jews, Protestants, joined in a canvas that reached 94% of the population. Over 21,000 people, not affiliated with any church in the city, stated a preference for the Methodist Church. 16,000 designated the particular church which they preferred. Visitation campaigns were put on in all of the churches and are still being carried on in an endeavor to reach all this vast number of people. Many have been won for the Methodist Church (see statistical tables). The work will be continued this next year.

Finance

World Service this year has increased 13.7% with a slight increase in Advance Specials. Salaries of the 56 churches, which are constantly increasing, are approaching a quarter of a million dollars. The minimum salary for a full time man will be $3000 this year. Student salaries are being increased as the student pastors win constantly growing appreciation from their people. Small and large churches alike, almost without exception, have put on successful Every Member Canvases. Tithers are increasing in every church. These devoted people who love Christ and His Church have done much to lift the church to its present place of service. Tithers are happy people.

Building

Because of the new interest and increased attendance at services of worship and Church Schools, it has been necessary for many of our churches to expand their physical plants. Since last June the Superintendent has approved the expenditure of more than a million dollars for improvements and new buildings. Limitation of words makes it impossible to list the churches. These building programs are lifting the churches to greater spiritual levels and providing greater and more varied channels of service in the community.

Two new churches have been formed this year, both of which are planning to build. St. Luke's, which is serving the far north side, plans to build on eight and one half acres at 86th Street and Illinois (Road 100). Immanuel, formed by the merger of New Jersey Street Church and Arlington Place, will build somewhere in the vicinity of Arlington and 30th Street.

The Woman's Society of Christian Service, under the leadership of Mrs. C. A. Stilwell and an able corps of workers, has continued its steady growth. The Society reports an increase in membership of 556, making the total membership 6548. With a pledge of $28,000, the women gave $34,607.17 to missions.

Television

The Indianapolis District has been the first organization across the country to use a television program for the promotion of Church School attendance. Each Friday evening at 5:15, for fifteen weeks, there appeared on television the program, "Let's Go To Sunday School," with the childrens' friend, the clown, as announcer, the prophet to tell the Bible story, and the teacher to conduct the Sunday School class of children for the afternoon. Letters of commendation were received from many agencies of childrens' work, as well as from parents and children themselves. All services were donated in producing the program. The cost of $178.50 per week for time on the screen was paid by donations of churches and individuals of the district. So wonderfully effective and so highly successful was the venture that we hope others of you may catch the vision. We invite you to join with us in opening another television program in the fall.

For $10,000 a year we can cover all of Indiana in the interest of bringing children and their parents to the Church School and in winning them to Christ and the Church.

There has also been a happy growth in the size of our parsonage families. August 7, 1953, there were born Philip and Paul Frazier; October 11, Stephanie Ann Bastin; November 24, Stephen Lee Hyde; December 25, William David Brantley; February 5, 1953, Jane Ellen White; May 14, Cynthia Juliet Ashley.

On October 31, one of the bravest, most courageous, and most beloved ministers of the conference, Albert J. Spaulding, was called to his reward.

His funeral was held in Barth Place Church, where he was serving faithfully, with forty-three of his brother ministers present.

In conclusion, we rejoice in the Christian spirit shown and in the achievements of the past year and say a prayer for the new year. We pledge ourselves to a deeper devotion and to more love to all people everywhere.

(5) NEW ALBANY DISTRICT

E. A. Clegg, Superintendent

Bishop Raines, Members of the Indiana Conference and Friends:

As one gathers the statistics for a report of the year's achievements he is sensitive to the fact that the report will prove to be inadequate. The most important accomplishments of the New Albany district or any other district cannot be reported on paper.

The blessing imparted to those attendant upon the services of divine worship; the ministry to the sick and the shut-ins; the comfort and strength brought to bereaved loved ones and friends; the resolutions formed in the heart for newness of life. All this and much more must be seen in the year's review.

Moreover there is the fellowship and genuine spirit of cooperation on the part of both ministers and laymen which has meant more to the district superintendent than can be put into words.

Personnel

Six new babies arrived to bring happiness to our parsonage homes: Rev. and Mrs. J. C. Forshee, daughter, Jeannene Carol; Rev. and Mrs. A. T. Grout, daughter, Deborah Sue; Rev. and Mrs. Lloyd Hager, son, David Roland; Rev. and Mrs. Wm. Hawks, daughter, Rochelle; Rev. and Mrs. Mode Powell, daughter, Nancy Joan; Rev. and Mrs. E. L. Wright, daughter, Virginia Louise.

The Sacrament of Baptism was administered by the District Superintendent for Barbara Elaine Rogers, infant daughter of Rev. and Mrs. Howard Rogers November 15, 1952 also for Virginia Louise Wright, infant daughter of Rev. and Mrs. E. L. Wright on Palm Sunday March 29, 1953.

Death invaded three of our parsonage homes during the year. Mrs. Thomas G. Scott, Rev. Wm. R. Cain and Rev. Hurleston Rumbley were called to their heavenly home.

Buildings and Improvements

The new educational unit of the Centenary Church, New Albany, was completed at a cost of $70,000.00. The district superintendent was in charge of the consecration services on March 29th assisted by the pastor, the Rev. R. G. Skidmore. The new $40,000.00 Woods Chapel Church at Ramsey was completed, free of indebtedness, and was dedicated by Bishop Titus Lowe on Sunday, May 31st.

Main Street Church, New Albany, installed an air-conditioning system at a cost of $6000.00.

Many other churches in the district reported a substantial amount paid this year for repairs and improvements.

Finance

It is gratifying to note that our Methodist folk within the bounds of the New Albany district have, during the past 12 months, given to World Service and Conference Benevolences a total of $31,612.00 and to General Advance Specials a total of $13,393.00; a grand total for these two causes of $45,005.00.

A statement from the office of The Advance for Christ and His Church reveals that this district contributed to this cause during the past quadrennium $46,944.00 making this the second district in the Conference in amount contributed.

Woman's Society of Christian Service

Mrs. Frances Emery completed her four year term as president of the District Woman's Society of Christian Service. Under her efficient leadership marked progress has been made each year. The district is now 100% organized with an organized society or a district member in each one of the 109 churches.

These devoted hard working women raised this past year $17,000.00 for missions and $10,210.00 for local church activities or a grand total of $27,210.00.

Evangelism

On March 8th our district climaxed a highly successful United Evangelistic Mission with a Victory Rally in the New Albany High School auditorium. This was the first time a district in the Indiana area had undertaken to conduct a United Evangelistic Mission. The Mission, conducted from March 1 to 8, resulted in 450 commitments to Christ and His Church. Of this number 265 persons came on profession of faith and 185 transferred their membership.

Personal

In closing this report I would express deep gratitude to God for all His kind providences, to our leader Bishop Raines for his Christian spirit in all matters of administration and to all pastors and laity for their wholehearted devotion and support in every enterprise.

(6) RUSHVILLE DISTRICT

Harry O. Kisner, Superintendent

The work of the Rushville District has gone forth this year in a glorious way because the pastors and the people called Methodists have had a mind to work. It is marvelous what God's good people can do when they have a mind to work. God has been exceedingly good to us and we are thankful that He has called us to help Him in His great work.

Change in Appointments

Immediately following adjournment of the Annual Conference Clarence LeMasters was transfered to the Minnesota Conference. The Glenwood Charge was supplied for several weeks by some of our retired ministers, living within the bounds of the district. In September Donald W. Ashley of the North Dakota Conference was appointed to Glenwood.

A Baby Was Born

Annell Mae came to live with Rev. and Mrs. George W. Dinwiddie and family of New Palestine, January 19th, 1953.

Wedding Bells

A very beautiful wedding was held in St. Paul Church, Rushville, on August 23rd. Elizabeth Ann (Betty Ann) daughter of Rev. and Mrs. Lee S. Parrett and Donald Lee Fields were united in marriage by the bride's father, with Dr. J. T. Scull assisting.

Rev. Scott D. Browning and Ruth Anna Wright were united in marriage on June eighth at North Methodist Church, Indianapolis. Dr. D. L. Browning, father of the groom performed the ceremony. It was a lovely and beautiful ceremony.

The Valley of Shadows

Mrs. Maurice E. Abel was transfered to the Church Triumphant on September 18th. The service of memory was held in Shelbyville on September 20th.

Beautiful Churches

The Rushville District is a district of beautiful churches and they were never more beautiful than now. Many of the Churches have been beautifully decorated and we have several new churches. All in all our church buildings are in good repair.

New Parsonages

Lovely new parsonages are being built at New Salem and at Whitcomb. They will be ready for occupancy by late summer or early fall. Both these congregations are to be congratulated for their courageous faith.

Dedications

The beautiful Church at Brownsville was dedicated by Bishop Raines and the Superintendent on Sunday, December 14th. Rev. R. C. Gillum is the pastor.

The Church at Fairland has been completely transformed. The sanctuary is both beautiful and worshipful. The de-dedication service was held by the superintendent on the afternoon of May 17th. Rev. C. L. Miller is the pastor.

The Woman's Society of Christian Service

The Women's Society of Christian Service of the Rushville District is a power for God and for good. They have just closed another great year under the leadership of Mrs. J. Harvey Snider, president. They led the way in sending clothing to the Koreans. They sent $26,799 to the District and Conference treasurers. There is only one district in the conference that surpassed this record. God bless the Methodist Women.

Sunday Schools

The Sunday Schools of the District continue to increase in enrollment and average attendance. Plans are under way in several churches to care for those needs. In nearly every church within the district Methodist literature is used exclusively. The Board of Christian Education of the District is interested in doing a qualitative work. Rev. Harold W. Hewitt and his staff of workers have helped us greatly and we appreciated their splendid work. The records will show that our district spent nearly $15,000 for lesson materials and supplies.

Other Reports

The Conference Treasurer's reports indicates that our district paid $52,369 for Buildings and Improvements. We paid $38,793 on principal and interest on old indebtedness. We paid $30,390 on World Service and $8,887 on Advance Specials and $1,789 on Conference Advance Specials. There will be a substantial increase in Ministerial Support next conference year. Of course the larger labors of love cannot be tabulated in figures. We are dealing in values as good ministers of Jesus Christ.

A carpenter can take a few boards and nails, saw and hammer and make a building and we can see what his hands have wrought. But the great Galilean Carpenter taught his people about a work which is more or less invisible nevertheless real and exceedingly significant. We are dealing with the lives of little children, young people and adults. We seek to lead them to Christ, the Saviour and Lord of Life. We pray that they may become Christlike in all their attitudes and actions. This task is too great for us and we cannot do it by ourselves. But we are assured that our Heavenly Father is our helper. After all this is His business. Therefore let us all consecrate the best we have to the highest and best we know in Christ and help God have His way in His world.

"We count not ourselves to have apprehended but we press on toward the mark" of the Kingdom goal. The words of a great hymn becomes our prayer:

"Set our feet on lofty places;
Gird our lives that they may be,
Armoured with all Christ-like graces
In the fight to set men free.
Grant us wisdom,
Grant us courage,
That we fail not man nor Thee."

(7) VINCENNES DISTRICT

A. M. Brown, Superintendent

I come to this my first report as a District Superintendent, with a new appreciation for the office. I can sympathize with the man who had carved on his wife's tombstone, "she was more than I expected." The work on the District has meant a complete change in habits of life for Mrs. Brown and myself and although we have missed greatly the fellowship of a Congregation, we have been welcomed into the fellowship of kind friends and gentle hearts of the ministers and their families.

When coming to the District we found two charges without ministers and soon lost another man to the North Indiana Conference which left us three vacancies. These charges were filled in the fall with Hugh Van Hoy going to Oaktown, Wayne Helmerich, to Plainville, James Earlywine to Carlisle, and LeRoy Ping to Alfordsville. In February we lost Thomas Fisher to North Church Indianapolis, and Homer Summitt returned to Salvation Army work which again left us with two vacancies and in April George Jackson resigned. Reverend T. B. Avery, retired Pastor completed the year at Elnora, Rev. Arthur Carroll, retired Pastor of the New York East Conference completed the year at Winslow and Charles Hill, student, completed the year at Paxton. Although we have been short of Pastors most of the year, good work has been done on every charge.

We lost by death two of our beloved retired men, Rev. J. H. Furry, and Rev. C. O. Morin.

One Parsonage home has been visited with a new baby, Mary Ann Toussaint, daughter of Rev. and Mrs. Lowell Toussaint, of Loogootee.

Modern parsonages have been built on the Glendale Charge, Petersburg Circuit, and Mt. Pleasant Charge. The parsonages for Glendale and Mt. Pleasant were relocated to sites near the center of the charges. The Petersburg Circuit Parsonage was built on the site of the former parsonage at Alford.

Parsonages have been modernized at Merom and Pleasantville. There have been many other parsonage improvements in the District to add to the comfort and convenience of the parsonage homes. We thank the Churches for their interest in the welfare of the Pastors and their families and hope that parsonage improvements will continue until every parsonage is made as comfortable and attractive as possible.

A new church building has been completed at Hudsonville on the Glendale Charge. A new lot was secured on the highway in the center of the village and a building erected with a basement and Sanctuary. The Church building at Ireland on the Otwell Charge had to be rebuilt and the Sanctuary refurnished with a new chancel and new pews with the result of a very beautiful sanctuary which is a joy to the congregation. The Dodds Bridge Church on the Prairie Creek charge completed an addition to their church in the fall to add church school space and social rooms. Building operations have started on the $20,000 Church School addition to the Prairieton Church. First Church, Washington completed a campaign for $123,000 for a new educational unit. The Loogootee Church is now raising funds to build a Church School addition. The Oaktown Church has remodeled their Sanctuary and are now planning to add an electric organ. A new pipe organ is being installed at Petersburg First Church with other improvements to follow.

Two Church buildings were destroyed by fire, Sanborn and Mt. Zion, Construction work has started on the Mt. Zion Church and plans are under way to rebuild at Sandborn. The Church at Lewis was damaged in the explosion of an ammunition train. It is being repaired but it seems doubtful if they will ever receive any reimbursement for the damages suffered. The Church is grateful for gifts received from interested churches and friends.

God's Acre plan is being used extensively for parsonage and Church improvement and laymen eagerly donate time and skill for the many improvement programs.

Salary increases of $3150 have been received on the new conference year.

The District Trustees have plans for a new District Parsonage. More than ten thousand dollars has been received since November on the program, a lot has been purchased and it is hoped that building operations will start by the end of the summer.

In the Christian Education program of the District three Leadership Training Schools were conducted. Reverend Harold Hewitt, has given generously of his time in the promotion of Methodist Church School literature. The Annual Laboratory School was held at First Church Vincennes with the rural section meeting at Trinity.

A District Day of Missions and Evangelism was held with Dr. O'Farrell, presenting the cause of missions and Dr. Thomas of the Board of Evangelism presenting the cause of Evangelism. Dr. Olin Stockwell, spent three days in the District, giving a message in each sub-district group. Bishop Raines, inspired the District with his message, "Take Your Share." We find a growing interest in the work of our District Missionary, Keith Hamilton, and his family in Bolivia.

We appreciate the work of the Woman's Society of Christian Service, in the cause of missions and in the support of the total program of the Church. The educational, social, financial, and spiritual results of the work of this greatest of all organizations for women, is felt throughout the district.

We feel deeply the loss of Mrs. Lex Robbins, formerly Vincennes District President, and recently elected President of the Conference. Her able leadership will be greatly missed in both the District and in the Conference program of the Woman's Society of Christian Service.

The Vincennes District is a District with a "warm heart" in its evangelistic emphasis. Most of our churches have held successful mass revival efforts which have morally and spiritually strengthened our Methodist people. However the Pastors have used Visitation programs and Membership classes to reach and train those who should be reached for Christ and the Church. We appreciate what has been done but recognize that the fields are still "white unto the harvest" and we are seeking to do all we can to reach men for the Kingdom of Christ.

The District is working with the Indiana Conference Building Program for Church Extension and Home for the aged. Pastors have sent in membership lists, lay speakers have given messages in the churches, under the direction of the District Board of Lay Activities. Mr. Ralph Hastings is the General Chairman of the District and is working out the details of the District organization. We plan to do everything possible to carry the program to a successful conclusion in the Vincennes District.

Much more could be told of work done and faithful service rendered in the bounds of the District but space will not permit. I wish to commend the Pastors and Laymen of the District for the achievements of the past year and wish to extend the thanks of Mrs. Brown and myself for the love and fellowship and cooperation that we have found in the District work. May God continue to bless the Pastors and their families, and the Laymen of the Church so that the work of Christ may be a constant growing experience throughout the District.

(8) REPORT OF AREA ADMINISTRATIVE ASSISTANT

Edwin R. Garrison

As I submit this my third report of my work as Indiana Area Administrative Assistant I want to begin with an acknowledgement of the spirit of comradeship with which I have been received by Pastors and Laymen throughout the three Annual Conferences of Indiana.

I have been made to feel that I "belong" in the fellowship of local churches, in District meetings and in the sessions of the Annual Conferences. I am particularly grateful for the loyal support of the District Superintendents, the Conference and District Lay Leaders.

The vision and enthusiasm of Bishop Raines challenges our Area to an ever enlarging program of service and there is always much to be done at Area headquarters. But with his vision and enthusiasm goes a genius for committing authority to match the responsibility. I am proud to be associated with him.

In matters of program my primary responsibility concerns those projects which have been found to be most successful when conducted cooperatively by the three Conferences.

The Seminar for Town and Country Pastors to be held on the DePauw Campus, June 29-July 2 is a study group which gives practical guidance to the ministers who seek to solve the problems and capitalize upon the opportunities which confront the rural church. Leaders this year will be C. Ralph Arthur, Executive Secretary of the Commission on Town and Country Work in the Virginia Conference, Luke G. Beauchamp of the General Board of Education, Marvin W. Cook, Pastor of our church at Otterbein, Dr. Mearl Culver of Evansville College, and Dr. J. Edwin Losey, Professor of Rural Sociology at Purdue University.

The Annual Institute for Methodist Men continues to grow in size and enthusiasm. Tangible results of the program are to be seen in the increased number of chartered organizations of Methodist Men which now totals 77 in the Indiana Conference. This year's session will be held on the DePauw Campus, September 11, 12, 13. Bishop Raines will be the banquet speaker on the opening night. Other leaders will be: Dr. Howard Thurman, Pastor of Fellowship Church in San Francisco, Dr. Lawrence L. Lacour, widely known evangelist, Mr. C. R. Paul, Lay leader of the Alabama Conference, Professor George Kreuger, Director of choral music, Indiana University.

The Convocation for Adult Bible Class Leaders held at Roberts Park Church, Indianapolis last October received a large and enthusiastic response from adult teachers and leaders of all three Conferences. Church school workers report numerous requests for a similar program in the fall of 1954.

During the past year we have underwritten a dozen "Parish Abroad" projects in India, Africa and South America, and have continued our supplementary support of pastors and theological scholarships in Germany. To match the giving of the last quadrennium we must underwrite more projects and I am eager to make contacts with pastors and churches who will lend us a hand in this important matter.

Surveys were made throughout the state to help in the determination of Church Extension projects and as a result of the study the Indiana Conference has embarked upon a campaign to raise $450,000 for Church Extension and $750,000 for the newly established Home for the Aged in Franklin. The North Indiana Conference has authorized a program to secure $350,000 for Church Extension and $200,000 for a Wesley Foundation Building in connection with College Avenue Church at Ball State Teacher's College. The Northwest Conference has authorized a campaign to raise $300,000 for church extension.

Our missionary needs abroad and our church extension program at home indicate our need of a greater emphasis upon stewardship, not only of possessions but of all of life. Our church-wide program of Stewardship in early 1954 will attempt to meet this need.

The quality of persons who will enter church related vocations within the next few years is more important than the money we raise. To be sure we must have cash to support our projects, but at long last the effectiveness of our work will depend upon the skills and Christian commitment of the men and women who stand in the places of responsibility in the local church and in our institutions at home and abroad.

Our Area Conference on Church Related Vocations is an attempt to bring opportunities for professional church service to the attention of the best young people in our local churches and on our college campuses. The attendance upon our week-end program at North Church last April was 144 as compared to 98 last year. Forty-six young men attended the section on the Christian Ministry.

By far the most exciting assignment of the year was a six weeks tour of mission work in Hawaii, Japan, and Korea. Generous contributions by laymen of the Area not only covered the cost of my trip but provided substantial gifts which made the journey possible for Mrs. Garrison. Leaving Indianapolis on March 24, we flew to Honolulu and Tokyo. From Japan I was permitted to enter Korea.

In Hawaii the Oriental and Caucasion races meet, and for better or worse, are blended. Hawaii boasts of complete racial equality in schools, politics and business. None of the churches are strictly racial in membership and all have the avowed purpose of complete equality. We visited the outpost rural projects on the great plantations as well as the city and suburban work. In this fairy-land of flowers the need for missionary aid is greater than in similar rural and city work on the mainland. The background Buddhist culture of the Oriental peoples, combine with the materialistic secularism of American planters and tourists to make Hawaii a hard field. Our excellently trained and deeply consecrated missionaries need our prayers and financial support and I trust that our Conference Board of Missions will keep Hawaiian Advance projects in the thinking of our churches.

Japan in cherry blossom time is a land of beauty and yet of great contrasts. The physical scars of war are everywhere evident. But the morale of the people is good and they are making rapid recovery. They are natural leaders in industry and politics throughout the Orient. Communism is making great effort to gain the confidence of the people and they won one seat in the National Assembly as the result of the April elections. The prevalent attitude is one of friendliness toward democracy. The military caste has no standing with the people. The pioneer evangelism projects on the Island of Hokkaido in the far north deserve our immediate financial support.

Korea is the pawn of great nations in the struggle between the United Nations and their opponents. Lands and buildings are devasted, the people are impoverished and the national economy at the breaking point. Yet her people fight on. Of all countries represented in the U. N. forces, the Koreans occupy the greater part of the front, have the greater number of soldiers, suffer the heaviest casualties. Korea has been the most advanced of all Protestant mission work. Today these faithful churches need our prayers and financial support. No one knows what the future holds for this broken little country. Whatever the political and military decisions, we Methodists must make sure that they never doubt our love for them.

We return to our duties in Indiana with profound gratitude to our generous Hoosier friends who provided for our trip with all its attendant experiences. We come also with an aroused sense of the fortunate situation of America. Our comparative wealth and industrial power is fantastic. The per capita income in the United States is $1473. In South Korea it is $26. In China it is $25. America is the rich man with Lazarus at the gate. One has the feeling that all this power will surely corrupt and destroy us unless we acknowledge our stewardship and devote ourselves in far greater measure to God.

When we are tempted to bemoan hardships and, in self-pity to evade our responsibility, a glance at our war-ridden neighbors will restore our perspective. Of course America has suffered under the load of war and inflation. Looking around the world, however, we catch the spirit of the Oriental saying, "I was bitter that I had no shoes until I saw those who had no feet."

(B) REPORTS OF BOARDS, COMMISSIONS AND COMMITTEES

AUDITOR'S REPORT

For the Period June 1, 1952 to May 31, 1953

Indiana Conference of The Methodist Church
Indianapolis, Indiana

Gentlemen:

We have made an examination of the cash receipts and disbursement records of the Treasurer of the Indiana Conference of The Methodist Church for the period beginning June 1, 1952 and ending May 31, 1953.

Our examination, as outlined below, consisted of tests of the accounting records to determine the correctness of recorded cash receipts and disbursements, and a verification of cash balances. We did not make a detailed audit of the transactions.

Remittance sheets and other accounting data sent to the Conference Treasurer's office by various church treasurers and others, serve as the medium and support for recording cash receipts on the general accounting records. The letters of advice, and other accounting data. The amounts shown on remittance sheets, etc., were compared with amounts entered on the general accounting records, and to the extent of our tests the amounts were in agreement. We did not communicate with the various church treasurers, pastors and others to confirm the cash receipts entered on the records.

All recorded receipts were deposited in bank accounts maintained by the Conference Treasurer. Disbursements from such bank accounts were tested by reference to approved requisitions of the various boards and commissions, cancelled checks, vendors' invoices, and by reference to conference minutes authorizing certain disbursements.

The footings of the books of original entry were tested and such footings were compared with entries in the fund ledger. Fund ledger footings were also tested to determine their accuracy.

Cash balances were verified by confirmations received directly from depositories and by reconciliations of amounts shown on such confirmations with ledger balances.

U. S. securities in the amount of $50,000.00, which are a part of the Conference Claimants' Fund, were verified by confirmations received directly from safe-keeping agents.

In our opinion, the accompanying exhibit and supporting schedules together with the above comments, correctly state the recorded cash receipts and disbursements of the respective funds for the period beginning June 1, 1952 and ending May 31, 1953, and the balances in the respective funds as of May 31, 1953.

Respectfully submitted,
HERDRICH, BOGGS AND CO.
Certified Public Accountants

C. REPORT OF BOARDS

BOARD OF CONFERENCE CLAIMANTS

Recommendations

We make the following recommendations;

1. That the annuity rate 1953-54 be thirty-five dollars ($35) for retired men and twenty-four dollars and fifty cents ($24.50) for widows.
2. That the annuity rate for Special Conference Claimants (Approved Supply Pastors) and their widows be the same rate as paid to Conference members and their widows.
3. That the apportionment on the Churches be an amount equal to fourteen percent (14%) of the Pastor's cash salary.
4. That the assessment for Conference Members who are Previous Entrants and full time Approved Supply be two percent of the cash salary and the funds be handled according to the action of the 1951 Annual Conference.
5. We recognize for annuity claim, only full time Approved Supply Pastors, or those who are in school, not anticipating conference membership, but who are preparing for full time Approved Supply Pastoral Relations. The number of years such men can acquire must be subjected to the same limitations as men seeking conference relations.
6. That the service annuity provided by the Partial Reserve Pension funds be handled according to the action of the 1951 Annual Conference, page 736 of the conference minutes.
7. That the following Institutions and Organizations be approved for annuity responsibility on the Annual Conference, according to paragraph 16, article 12, to answer question 13 of the Conference Journal; "Preachers' Aid Society," "Wesley Foundation;" "Conference Board of Education," and "Methodist Hospital," Indianapolis, "Methodist Home for the Aged," Franklin.
8. That the following men in special appointment be listed with annuity claim on the annual conference according to paragraph 1618 article 4 of the Discipline; W. C. Patrick, Executive Secretary of the Preachers' Aid Society. R. O. Pearson, Methodist Hospital, Indianapolis. H. W. Hewitt, Executive Secretary of the Conference Board of Education. W. M. Orr, Wesley Foundation. S. L. Martin, Methodist Home for the Aged.
9. That the following men be listed with annuity claim upon a General Board or Institution; H. W. Ellis, General Board of Evangelism. H. W. Frakes, Henderson Settlement.
10. That the following men be listed without annuity claim on the Conference Funds; H. G. Lytle, Good Will Industries. E. M. McKown, Evansville College. R. S. Hendricks, Chaplain Veteran's Administration, H. W. Glenn, Chaplain in the U. S. Army, George M. Rumbley, Chaplain in the U. S. Army if provided by the U. S. Army. W. R. Thornton, National Council of Churches. Russell J. Humbert, President of DePauw University. W. W. Stickford, Baldwin, Wallace College.
11. That the Stabilization Fund of the Board of Conference Claimants, deposited in the Chicago Office of the Board of Pensions, continue on deposit to draw interest. We recommend that the $8,000.00 drawn from the stabilization fund be considered a withdrawal rather than a loan. We recommend that the Conference Claimants Board be authorized to draw funds (if needed) from the Stabilization Fund, for 1953-54, in an amount not to exceed $10,000.00.

12. That the following members of the Indiana Conference be allowed annuity for full time supply years and that their names and number of years service be printed under question 43 in the Conference Journal and listed in their service record, using the word "Supply" and listing the number of years served;

Charles J. Schweitzer (1 yr.)

13. That the following Conference Members in other Annual Conferences, who have full time supply years served in the Indiana Conference, have their survice years approved and their names and numbers of years service listed under question 43 of the Conference Journal:

Edwin Howe Boldrey, Michigan Conference	½ yr.
W. E. Cissna, Kentucky Conference	1 yr.
O. E. Allison, Kansas Conference	1 yr.
Floyd Joseph Crocker N. W. Indiana	1½ yrs.

14. That the following Approved Supply Pastors, serving in other Conferences who have full time supply years served in the Indiana Conference, have such service years approved and their names and number of years service listed under question 20 of the Conference Journal:

Robert C. Rayle, N. W. Indiana	1¾ yrs.

15. That the following corrections be made in the Record of Approved Supply Pastors With Annuity Claim as found on pp 249 and 250 in the Minutes of 1952:

"Morgan, Shirley Earl" in place of "June '46 no full time record" insert " '46 Francisco" so that the record shall read: " '43, Oct. Newtonville, '46 Francisco, '50, Fort Branch;

Stephens, R. J. " '23" change "Oriele" to "Rome." These notations to be inserted under Question 43 with such service years approved as full-time service for annuity purposes.

16. Beginning with the Conference 1953 all approved as full time supplies must present a certificate of health from the Methodist Hospital before being placed on list.
17. We request Bishop Raines to appoint a coordinating Committee consisting of a member from the Board of the Conference Claimant's, a member of the Board of Ministerial Training, Lay activities, one District Superintendent. This board to function during year 1953-54.
18. We recommend that the District Superintendents be asked to list students as part time or full time and list full time men seperately, also to list the schools if accredited and their classification. Names to be placed in the category of question 20.
19. We recommend that men on trial be relieved of the relief 2% and be required to pay 3% to the Reserved Pension Fund, according to 1946-Section 5.

W. D. Koehnlein, Chairman
R. B. Baldridge, Vice Chairman
E. T. Perkins, Secretary

(2) DEACONESS BOARD OF THE INDIANA CONFERENCE

April 9, 1953

The meeting was held in the Y.W.C.A. Building in Indianapolis.

Those present were: Mrs. Golden A. Smith, Miss Josephone Stout,, Mrs. Frank Ellis, Miss Nola Yoder, Miss Mildred Sweet, Rev. Harold W. Mohler, Rev. W. R. Lynch, Dr. J. W. Borders, Dr. W. T. Jones, Mrs. Jones, Mrs. E. L. Hutchens, Mrs. Oscar E. Tharp, Mrs. Charles T. Alexander, (Dr. Charles T. Alexander, present at dinner.)

Following dinner in the Y.W.C.A. cafeteria, the meeting was called to order by Mrs. Golden A. Smith, President. She related a brief history of the Deaconess Board of the Indiana Conference.

In the absence of Miss Irene Duncan, the secretary, who is traveling in the Holy Land, Miss Mildred Sweet was named secretary pro tem.

Prayer was offered by Dr. Jones.

Mrs. Smith announced that the Rev. H. W. Mohler was representing Bishop Raines in the absence of Dr. N. G. Talbott who was to have represented the Bishop.

Selections were read from the Discipline which relate to the work of the Deaconesses.

A list of the Deaconesses of Indiana Conference and their assignments was read. Miss Josephine E. Stout and Miss Mildred E. Sweet will continue at Methodist Hospital, Indianapolis. Miss Irene Duncan will be at the Women's Prison in Indianapolis and Miss Nola D. Yoder will be at Rest Haven in Linton, Indiana.

An announcement was made that a deaconess is wanted at Fletcher Place Methodist Church.

Dr. Borders spoke for the deaconesses who are employed at Methodist Hospital.

The Rev W. R. Lynch spoke for the work done by Miss Yoder in Linton.

A letter from Miss Mary Lou Barnwell of the deaconess office in New York was read concerning the status of Miss Yoder.

Mrs. Tharp spoke for the work of Miss Duncan at the Women's Prison.

A letter from Miss Rachel Yokel, who is a member of the Indiana Conference, a deaconess at Jesse Lee Home in Alaska, was read.

We discussed the blanks to be filled in about deaconess work. It was thought that Miss Duncan will return in time to fill these in and send them to the proper offices.

The finances of the Deaconess Board were discussed. The statement was made that the Board had asked for $50.00 a year from World Service in the past. Mrs. Smith is to take care of this matter again this year as she has in other years.

The Treasurer's report was read by the treasurer, Miss Josephine Stout. The report was accepted.

Mrs. Ellis moved that the asking from World Service this year be $100.00. Mrs. Tharp seconded the motion and it was carried.

Miss Stout reported for the Jurisdiction Committee on Promotion of Deaconess Work. A brochure and a letter is to go to each minister in the Jurisdiction. There will be considerable expense entailed in accomplishing this.

Miss Stout moved that the Deaconess Board contribute $10.00 to the Jurisdiction Deaconess Committee for this promotion. Mrs. Hutchens seconded the motion. Carried.

Mrs. Smith said in speaking for the years she had served on the Deaconess Board that she has been happy and interested in the work of the Deaconess Board.

Mrs. Ellis spoke for the service which Mrs. Smith has given in such a fine way to the Deaconess Board as a member and as president. There was a standing vote of thanks for the work done by Mrs. Smith.

Election of officers took place for the coming year. Rev. Mohler conducted the election. Officers elected were:

President	Mrs. Oscar E. Tharp
Vice-president	Miss Mildred E. Sweet
Secretary	Miss Irene L. Duncan
Treasurer	Miss Josephine E. Stout

Dr. Jones suggested that the date for the annual meeting of this Board for next year be set early. The suggestion was made for the first Thursday in April.

The meeting was adjourned. Dr. Borders pronounced the benediction.

Mrs. Golden E. Smith,
President Deaconess Board

Mildred E. Sweet,
Secretary Pro Tem

(3) CONFERENCE BOARD OF EDUCATION

When parents stand before the altars of The Methodist Church presenting their babies in their arms for Christian baptism, they solemnly promise in the presence of God and the congregation that "as soon as they shall be able to learn" they will provide instruction for their children "in the principles of our holy faith and the nature of the Christian life; that they shall be trained to give reverent and regular attendance upon the public and private worship of God and the teaching of the Holy Scripture; and that in every way, by precept and example, they will seek to lead them into the love of God and the service of our Lord Jesus Christ." Here is a good summary of the task of Christian education. We are set to teach growing persons, beginning "as soon as they shall be able to learn" and continuing till life's last sunset days—"the principles of our holy faith—the nature of the Christian life" and "the teaching of the Holy Scriptures" so that we may lead them to experience "the love of God," and to enter "the service of our Lord Jesus Christ." It is in order to facilitate and make effective this work of Christian education in our homes, in our churches and church schools, in our summer camps, and in our colleges, that the Conference Board of Education plans and carries out its program.

At the beginning of the year two significant events occurred. First of all, by the authority of conference action, we added to our staff a full time assistant in the person of Mrs. J. A. Nickel. She came to this work with the same spirit of consecration that characterizes our staff, employed and volunteer. And because of this additional help we have been in a position to give more direct assistance to the local church and to leadership training enterprises. Secondly, the Jurisdictional Conference named our Executive Secretary to the General Board of Education for a four year term. This wider range of contact comes not only as an honor to the Reverend Mr. Hewitt, but as an advantage to our own conference. Wherever there is an immediate tie between a General Board and the home base, there is always a more direct channeling of resources and information.

The key to effective Christian Education in the church lies in leadership which is Christian and trained. Consequently much of our effort goes into creating opportunities for training of many kinds. This work has been under the direction of our staff assistant. It is fine that this conference has had 7 Christian Worker's Schools this year. But these schools reached only 49 churches. We feel that there is room for much progress in this area of Standard Leadership Training Schools that the other churches could use to their profit. There was a sharp advance this year in the number of Observation Schools held. The benefit of this is that one can see a class taught. But no finer opportunity can be offered the Christian Workers of our Conference than the annual Laboratory School. We call attention to the advancement made in this school. Not only has it been possible to maintain the Intermediate Department, which was added last year, but the Nursery and Small Church sections have been added for this year. This reveals a growth in four years from a three-class school to a six-class school. And we rejoice that three of our own folks are certified teachers on the staff: Miss Myrtle Standiford, Mrs. Luther White, and Mrs. C. J. Hayes. Abundant enthusiasm is expressed by the 76 who attended last year; we are assured that it makes a difference in their teaching. Will your church have someone there next year?

We believe that our conference should continue to have as many training schools as possible, and that they be planned at least four months in advance. We would suggest that teachers who have been in Laboratory School could well be used as teachers in these schools. We are exploring the possibility of using one day for each district during the summer camp program in which adult workers with youth in the local church can have a training experience as well as the opportunity to see our summer camp in action. And we have the feeling that the Junior Hi Camp might be a possible Laboratory experience for teachers of Intermediates. Our staff assistant is enthusiastic about the possibilities. And she is grateful for this year with us. She says: "I consider it the highest privilege of my life to have been able to serve as staff assistant to so fine a director of Christian Education as the Reverend Mr. Harold W. Hewitt."

When the Christian workers have been found and trained the work has only begun. Here are the children within the bounds of our conference. They do not know that God is love; that the Christian way of life is the only way to life. They must be taught. Considering the fact that for the next ten years there will be an ever increasing number placed upon every church's responsibility list, it is plain that the church must begin today to make ready its leadership and plant to meet this challenge. A catalogue of activities of our volunteer director of Children's work would be much too long for this report. We can say only that she has been engaged in 46 different projects during the year. Research programs under way in the Children's Division include a study of the Junior Camping Program and also of the develpoment of Vacation Church Schools in the conference over a ten year period.

The Youth Department faces a new responsibility with the Emphasis on Youth program set up by the General Conference for the next quadrennium. That this emphasis may be strengthened an area program is planned on the general theme, "Youth of The Way." This year we are stressing the training of adult workers with youth, using the term, "Guides of The Way."

The Youth Department has a varied program of activities on the sub-district, district and conference levels. In many districts, sub-district rallies have been held, with good attendance. Some of the districts held mid-winter institutes. An excellent Conference Workshop on World Friendship was held bringing to the World Friendship Commission officers and youth workers of the Woman's Society the leadership of May Titus of Nashville and Maryruth Nickel, a returned I 3. The Methodist Youth Fund was explained, and plans for the promoting of it. The Fall Convocation was well attended, and training classes were held for officers and adult workers on the local church level. The Spring Annual Conference meeting was inspired by the Reverend Mr. George Harper from Nashville.

The second year in the trial period of the conference program at Rivervale was considered successful. The number attending was 1488. Some of the mistakes of last year were ironed out, but we are still learning and hope to profit even more this year. Plans are underway to use an entirely new method of counseling this year. There will be three high school camps instead of two.

Plans are underway to cooperate with the state wide Officers Training Conference to be held at Battle Ground June 8-11. Under the direction of the United Christian Youth Movement. Part of the time is to be given to our own denominational program.

A Christian Witness Mission will be held at Central Church, Evansville July 5-11, under the joint guidance of the Board of Evangelism and the Board of Education.

The continued manifestation of interest on the part of Evansville College and DePauw University in giving concrete and definite help to the program of Christian training within the bounds of our conference is very gratifying. We refer particularly to such help as the program of training for ministers in town and country work, including the Group Ministry, which is being proposed by Evansville College in cooperation with the Department of Town and Country Work of our National Board of Missions and Church Extension. We also refer to the Educational Guidance Clinic for high school students, the Institute for Church Organists and the School for Rural Pastors offered by DePauw University.

We heartily recommend that this session of our Annual Conference increase its annual contribution to Evansville College by $5000, thus raising our total annual contribution to $10,000. This, we believe, still falls far short of our obligation and the goal to which we should advance as rapidly as possible. We view with some chagrin the report recently released by the Division of Educational Institutions of our church, which report reveals the fact that the Indiana Conference is seventy-eighth out of a number of one hundred four annual conferences in its financial support of the Methodist related school within its borders. Our present per capita giving is only 4c. This certainly is not as it should be. We earnestly urge that our giving be increased steadily year by year until we are in a more respectable position.

At this point it is but our duty to call attention to the action of the 1952 General Conference to provide financial support for Methodist related schools and colleges to the extend of 50c per member per year. To date our conference has not responded to this request.

There is a definite and growing need for a School of Theology easily accessible to the Indiana Conference. A number of our finest young men do not find it financially possible, or economically practical, to attend one of our Methodist Seminaries, the nearest of which is too far to commute to student charges within the bounds of our conference. Consequently each year we have candidates for the ministry from our conference entering schools of theology which are not connected with our tradition. In such cases there is very little probability that these men will receive the information and training which will send them back into Methodist pulpits filled with the spirit, fire, history and tradition of Methodism.

At the same time many of our candidates for the ministry enter our Schools of Theology located to the north, east or south. While we are glad to have them in Methodist Schools, we must face the fact that in a large number of cases they form friendships, associations and relationships which cause them to take up their permanent residence outside the Indiana Conference. Thus, almost every year, we lose the "new blood" which should be coming into our conference.

In the light of this situation, we hope and urge that, if at all possible, steps be taken to encourage and, within the not too far distance future, to bring into being a School of Theology within the bounds of the state of Indiana. We specifically mention DePauw University as the place.

The outstanding event in the work of the Adult Division this past year was the Area Convocation for Teachers and Presidents of Adult Classes, held in Indianapolis on October 17, 18, 19, 1952. Outstanding leadership from all parts of the country provided much thought provoking material for the minds of those in attendance.

The Indiana Conference was the best represented of the three conferences, with the New Albany District leading the way. All seven districts were well represented, however, and an expression was made at the close of th meeting that similar training opportunities be provided yearly for teachers and presidents of adult classes.

The Rivervale program for adults was carried on during the summer of 1952 in the same manner as in the two previous summers. The Young Adult week-end used the Bible as a theme. Dr. Rollin Walker, author and teacher of the Bible, was the principal speaker, and discussion groups delved into the history and transmission of the Bible to the present day.

The Children's Camp, for youngsters of the adult campers, was ably conducted by the workers of the Children's Divisions of the Indiana and Lexington Conferences. This camp was again an inter-racial venture, in cooperation with the Indiana District of the Lexington Conference.

The Older Adult Camp was held, but again with few in attendance. As a result of the experience of the past few years, it has been decided to abolish the Older Adult Camp this summer. In its stead, each district is planning a meeting of older adults some time during the coming year within the bounds of the district. These will be one day meetings, in an attempt to provide fellowship, recreation and learning opportunities for the older people of our churches.

The Young Adult week-end will be held again this summer. The theme will be the problem of beverage alcohol, and the schedule for the week-end will include panel discussions, platform speakers and group discussions on the various phases of the problem. Outstanding leadership from throughout the state is being secured for the camp.

An attempt will be made this winter to activate all sub-districts in young adult work. At the present time, the Rushville and Columbus Districts are the only ones functioning. Your district adult director will inform you more fully of this plan as the winter months approach.

The immediate problem of our world, our nation, and our communities lies with adults. The church must not be unfaithful in its program of adult education and evangelism. The adult division of the Conference Board stands ready to be of assistance to any local church in meeting their needs.

The use of audio-visual by the churches of the conference is increasing very rapidly. District directors are adding to their libraries and are publishing listings of their available materials. In the office of the Executive Secretary, we have a library of some considerable proportions of audio-visual materials in all fields of church endeavor. There is no charge for the use of any of these materials owned by our conference or districts. We encourage greater use of these by our pastors, church schools, and Woman's Society of Christian Service groups. The preview service at the School of the Prophets has been requested again for next fall and will be carried out.

We believe that a unique feature of this Board's work lies in its services given to any local church in the conference, regardless of its size, and without cost to that church. A partial listing of these services shows the wide variety of help our Board gives the local church:

1. Preaching
2. Addresses for:
   a. Teacher recognition services
   b. Commission on Education Banquets
   c. Men's and Women's organizations
   d. Youth Groups
   e. Dedications of Education Buildings and/or Churches
3. Provide leadership for Family-Nite Programs
4. Counsel with the local church on:
   a. Church School Literature and how to use it.
   b. Organization of a Church School
   c. Responsibilities of the Commission on Education
   d. Organization, program and materials for Vacation Church School
   e. Church Music
   f. Worship in the Church and Church School
   g. The enlistment and training of teachers
   h. Audio-visual materials—their uses, sources of supply, equipment
   i. Building Plans for Christian Education and/or Sanctuaries
   j. Training persons for Church Membership
   k. Leadership Training Schools
   l. Christian Stewardship
   m. Missionary Training
   n. Home-Church Relationships
   o. Programs for children-youth-adults beyond the Sunday Church School
   p. Week Day Religious Education
5. Provide resource leaders for the local church planning conference and/or retreats.

Any of these services in this partial list is available to the church through our Executive Secretary, Staff Assistant, and four volunteer, divisional directors. Together, these persons have reached 92 of our churches during this year. Sometimes one of our staff goes alone to a church; sometimes as many as three go together so that there is one leader for each of the age groups. The person and the number is determined by the kind of help desired by the local church. But in every case, a through study of the local situation is made; and recommendations are carefully prepared and presented to the local official body. To us, one thing is crystal clear —the time has come to serve effectively the local churches of the conference. We rejoice that it has been our privilege to do so through this year. We are grateful for the opportunities extended to us by the churches which have called upon our staff for assistance. We stand united in our pledge to make this service more effective.

Finally, we would like to present these recommendations:

1. Due to new legislation for the Commission on Education in the local church, and a new officer known as the Assistant Superintendent for Membership Cultivation, we recommend that a conference for Church School Superintendents, Assistant Superintendents and Chairmen of Commissions on Education be held in each district as early as possible in the fall.
2. To clarify certain common objectives and relationships, we recommend that Children's Workers in the local church meet at the same time and place as the above group having one session jointly and the balance separately.
3. We recommend that every local church cooperate fully with the quadrennial youth program known as "Youth of The Way." (Program details to be found in brochure available from the office at 619 S. Lincoln or the Conference Director of Youth.)
4. We recommend that this session of our Annual Conference increase its annual support to Evansville College by $5000, thus raising our contribution to $10,000.

5. We recommend that, in line with General Conference action, this conference move as rapidly as possible to the goal of 50c per member support of Methodist related schools and colleges.
6. We recommend that the Rally Day refunds to each District be $300 per year. That this checkback be paid back in exact proportion to the amount paid in quarterly on the 1% apportionment. If the full district quota is reached then an additional $100 will be returned.
7. We request our Bishop to appoint Harold W. Hewitt as Executive Secretary of our Board for the year 1953-1954.
8. We move that this report be adopted and printed in the Conference Journal.

(4) CONFERENCE BOARD OF EVANGELISM

The World Methodist Council, meeting at Oxford, England, from August 28 to September 7, 1951, made the following statement: "We believe that God has a word for World Methodism. Under the guidance of the Holy Spirit, we are being led to a clearer recognition and fuller understanding of the essential and timeless contribution of world Methodism, not only to the Church Universal, but to the millions we are commissioned to win to Christ and His Church." No greater encouragement could come to ministers and laymen in these uncertain times than these heartening words from our Bishops and other great leaders of our World-Wide Methodism.

If John Wesley, our great founder, in the Providence of God, were conscious of the promotion of such a movement throughout the world, his heart would be "strangely warmed" again, as he realizes that our Methodism has not in anywise forgotten its mission, namely, "the saving of souls" in our "World Parish." As the Conference Board of Evangelism, we are prepared to work wholeheartedly with our Bishop, District Superintendents, Ministers and laymen in doing our share in promoting this World Mission of Evangelism.

We have held two regular Board meetings this year and the Chairman and Conference Secretary have met with inter-conference committees a number of times in carrying out the program for Christian Witness Missions and Spiritual Life Missions for the future.

Six young people attended the Christian Witness Mission held at Terre Haute last summer. Our Conference Secretary assisted in this mission. Rev. Elmer Harvey, formerly a member of this conference, was the dean.

Six of our District Secretaries and the Conference Secretary worked in the Greater Washington Spiritual Life Mission in December, 1952.

The Indiana Area Christian Witness Mission will be held at Central Methodist Church, Evansville, July 6 to 13. Encourage your youth to attend this mission. Rev. C. Kenneth Powell will be the dean. Seven Christian Witness Missions will be held within the Jurisdiction this summer.

All reports indicate that there is more activity on the part of District Secretaries of Evangelism in District and Sub-District Evangelistic projects.

RECOMMENDATIONS OF THE BOARD OF EVANGELISM

The Area Planning Committee on Spiritual Life, which met on February 5th at North Church, Indianapolis, submits the following recommendations to the three Conference Boards of Evangelism of the Indiana Area. We trust that these proposals shall be adopted by the respective Boards of Evangelism and presented for approval to the Annual Conferences of Indiana Methodism.

1—We propose that a "Spiritual Life Mission" be conducted in the Indiana Area during October-November 1954.

2—The purpose of the Spiritual Life Mission: It is an intensive preaching and visitation endeavor to acquaint every member of every church with the Holy Habits of the Spiritual Life—Church Attendance, Family Devotions and Grace at the meals, Daily Bible Reading, Personal Prayer, Tithing, Witnessing, Living for Christ in all relationships.

3—The Plan—The exchange of pastors within the Area to do the preaching and direct the visitation, thus saving expense of bringing ministers from various sections of the country. The General Board of Evangelism describes this method as a "Reciprocal Mission."

The historical statement in the Methodist Discipline (page 6) says:

> "The sole object of the rules, regulations, and usages of The Methodist Church is to aid the church in fulfilling its divine commission."
> " . . . the only infallible proof of a true church of Christ is its ability
> —to seek out and to save the lost,
> —to disseminate the Pentecostal spirit and life,
> —to spread scriptural holiness,
> —and to transform all peoples and nations through the gospel of Christ."

The local church is the point of battle, the place of action.
It is to this high purpose that we submit this report.

(5) BOARD OF HOSPITALS AND HOMES

The Board of Hospitals and Homes pushes forth to greater things under the leadership of Christ and His Church. We are witness to our faith becoming a reality, in the achievements of the institutions which we have been able to work through in the act of sharing. We give God all glory for what joy and happiness they have brought to those who have turned to us for the suppliment of their needs. We have three such institutions that we support in the Indiana Conference; The Methodist Hospital in Indianapolis; which will make their report under separate Committee; The Children's Home at Lebanon; and The Home for the Aged at Franklin; The two latter submit the following reports for your approval.

Bill Koehnlein, Chairman
L. K. Thompson, Sec.

THE INDIANA METHODIST CHILDREN'S HOME

One of the important benevolent enterprises of our Church is The Indiana Methodist Children's Home at Lebanon owned and operated by the Indiana and The North West Indiana Conferences. It is the channel through which the Church is serving dependent, needy and deprived children, the castaways of society, with the prayer and hope that these little buds may have the opportunity to flower into good Christian citizens.

While the Home has the capacity to serve only forty six children at any one time it has touched the lives and given aid to more than seventy during the past twelve months.

Due to the fact that the Home continually has more requests for placement than it can grant it is in the midst of an expansion program. This summer a new modern, well equipped cottage will be erected on the grounds to house twelve additional children. There are also plans in the making for extensive remodelling of some of the present buildings. This Expansion Project is made possible through bequests and Benevolent Gifts of Friends of the Home.

We are indeed grateful to all who have had a part in this co-operative endeavor to provide care and training to these children in administering to both their spirtual and physical needs under our protective care.

Inquiries and problems concerning the Home should be directed to Mrs. J. C. Coons, who as Supervisor for the past twelve years, has labored zealously to create a home-like Christian atmosphere for these homeless children.

REPORT OF THE HOME FOR THE AGED OF THE INDIANA CONFERENCE, INC.

The Board of Directors have a very satisfactory year of progress in planning the initial unit of the Home in Franklin, Indiana on the 40 acres given by the Franklin Community for this purpose.

We are flooded with applications, both the group that can pay their way and those who are not able to pay for their lifetime care. When the publicity for the Home goes throughout the Conference, we will be embarrassed by the large number of people who desire this service when it is available for their use.

It was unanimously recommended by the Board of Directors of the Home that we ask the Commission on World Service and Finance to recommend to the Indiana Conference that $25,000 be made available for lifetime care for worthy applicants beginning 1954-55. The Board requests that Mother's Day be set aside each year for special emphasis for the Home for the Aged.

It is the hope and desire of the Board that the Home for the Aged will be a benevolent institution and will have, as soon as possible, 50% of its occupants as guests of the Indiana Conference.

The Board has adopted the final plans for the initial building which will cost approximately $750,000 providing for 76 guests, 16 double rooms and 60 single rooms, with all the other auxiliary facilities needed for the Home.

The Executive Secretary has spoken in 37 churches during the Conference year since June 30 together with many other Church Night meetings and Committee meetings in connection with the Campaign organization. The office is maintained at 302 Lemcke Building, 106 East Market St., Indianapolis, Indiana.

It is the desire of the Board that we will meet the suggested goal of the General Board of Hospitals and Home, that we build a Home for the the Aged in every Conference in Methodism. At the present time there are 64 Homes and it is one of the most popular moves in the denomination. The Board heartily solicits the cooperation of every member of the Methodist Church in the Indiana Conference and heartily offers all the cooperation possible to those in need of the services of the Home when the initial building is erected.

REPORT OF THE METHODIST HOSPITAL—INDIANAPOLIS

To the Members of the Indiana Conference:

We appreciate the opportunity of presenting to the Annual Conference a brief report from the Methodist Hospital which is recognized as one of the great institutions in Methodism. Your Methodist Hospital is an institution rendering a vital service. The statistical reports give testimony of the wide range and the huge volume of service rendered. This is a large hospital. It is a complex institution and offers a great challenge and an opportunity for an immense service in the health field. We recognize not only our accountability to the Board of Trustees and to Methodism for the conduct of the hospital, but are aware that we are answerable to the community for a health service that is indispensible. We strive not only to make it a good hospital but a superior one. The people in our community expect much of the Methodist Hospital; they recognize its worth, and as trustees and executives we have a public trust to fulfill. We must be alert at all times to the fulfillment of this trust by a type of service that will gain us the highest possible esteem among our clientele.

We venture the opinion that there are comparatively few large hospitals in the United States which have greater pressure directed against them for services than the Methodist Hospital. An excessive demand exists at all times not only in the bed occupancy areas but in all of the auxiliary services of the hospital.

We are proud of the Christian atmosphere of the Methodist Hospital. Every effort is made to promote a feeling on the part of the hospital personnel that the spiritual elements are vital factors not only for the best care of the patient but for one's own personal satisfaction. Our Chaplains, Dr. McClure and Dr. Pearson are rendering a tremendously important ministry among our patients and personnel and we are proud to acclaim their ministrations as an outstanding feature of our services. The religious program in a church-related hospital must always be patient-centered and the major portion of the Chaplains' time is spent with the sick who desire counsel, comfort and prayer. The special services for nurses, hospital personnel, and patients are well attended.

Good care of the sick is the first essential in public relations, but definite steps toward informing the public must be made. The two full-time Chaplains accept invitations for services throughout the state. Always there is the opportunity to give a gospel message and also to represent Methodist Hospital.

The excessive demand for hospital beds which remains constant from day to day is one of the greatest problems. The waiting list of elective patients stands at approximately 75 days, which means that a patient seeking a reservation which is not represented as an emergency case by the patient's physician shall have to wait approximately that length of time before admission to the hospital. The demands for emergency cases are extremely difficult to meet. As a matter of fact, we admit from 35 to 40 patients of this type each day, with the result that the number of elective cases admitted must be reduced accordingly. Many emergency cases must be deferred each day. All hospitals in the Indianapolis area are crowded and the situation in the Indianapolis community is extremely critical because of the shortage of hospital beds.

At the present time it appears certain that the program for the expansion of hospitals in the City of Indianapolis as promoted by the Indianapolis Hospital Development Association will be successful. Something like ten and one-half million dollars has been raised by popular subscription, toward a goal of $12,000,000 which was set several months ago when the project was first launched. The Methodist Hospital is proud to be included in this program which provides 224 additional beds at an approximate cost of $3,280,000. This sum will provide for the enlargement of the School of Nursing residence (Wile Hall) which will enable us to expand and to improve the School of Nursing facilities and help us to overcome the shortage of nurses which continues to be an acute problem. More nurses are being graduated from the schools of nursing in the United States than ever before, but the ever-widening fields requiring nursing service are requiring nursing personnel more rapidly than they can be produced today. Consequently, a shortage of professional nursing service exists throughout the country.

We are particularly grateful to the Methodist church groups and organizations for their assistance in the student nurse recruitment program, which has been so successful in recent years. In fact, we have had more than double the number of applicants for the school as could be accommodated during the past three years. This is a very unusual record among schools of nursing in the United States.

The high cost of hospital care is a timely topic today. Hospital costs are extremely sensitive to varying costs of equipment, supplies, and personnel, and this naturally reflects itself in the rates to be charged patients. The hospital depends almost entirely, at the present time, upon its income from patients to keep it in financial balance. The hospital does not make a profit and has no intention of doing so. The past year closed with the slight margin of approximately 2% income above the total expenses, which for an enterprise doing a business of five and one-half million dollars per year is considered to be a small operating margin.

It is generally recognized that capital improvements and additions to hospital plants should be derived from sources other than patient income. Such has been the case for the most part in the establishment of the Methodist Hospital from the beginning, and as we anticipate by having funds for the additional beds at the Methodist Hospital, to be provided by the funds raised in the joint campaign of the Indianapolis Hospital Development Association.

In a recent pamphlet which the hospital published in connection with its public relations program it was pointed out that even though the cost of hospitalization to the average individual in dollar volume had more than doubled in the last 10 or 15 years, the total hospital bill for the average individual has not increased in proportion by any means. As an example, in 1939 the average length of stay per patient in the Methodist Hospital was approximately 12 days, with an average charge per day of $11.35, making a total bill of $136.20. Last year the average length of stay per patient was approximately eight days, with an average daily charge of $17.40, at a total cost of $139.60. Fewer days in the hospital are made possible through newer, more effective drugs; improved techniques in medical and surgical skill; as well as improvement in hospital management and facilities.

In order that the services of the Methodist Hospital may be extended to the widest possible number of individuals we are constantly alert to keeping our average length of stay per patient to a reasonable minimum, because the fewer days that the average patient remains in the hospital the larger number of persons can be accommodated. We naturally tend to guard against long-term chronic patients who occupy beds in this hospital when these beds are needed so desperately by acute and active cases.

Last year the hospital rendered charity service in the total sum of $94, 898.64. This service has been rendered on the basis of a financial statement on each individual, which appears to fully justify extending this service without cost (whole or in part) to the individual. The hospital is naturally proud to render this amount of charity service. The amount of this service is limited by the general financial condition of the institution and with a recognition of the fact the hospital operates almost entirely upon its income from patients.

To give some idea of the large volume of service rendered by the hospital during the past year, we might mention the fact that there were 25,875 bed patients admitted to the hospital. There were 6,142 babies born in the hospital, which represents a figure that would place it in the first seven hospitals in the country in all classes, as to the number of births in the institution. In addition, out-patients to the extent of 29,622 were served by the hospital.

There is no length to which we might go in a report of this sort in setting forth what we consider to be informational and interesting facts concerning the operation of the hospital, but brevity must be considered. We close this report by expressing a word of deep appreciation for the high interest and cooperation which our Methodist people give the hospital in so many different ways from time to time. We are very grateful indeed for your cooperation.

Most respectfully yours,
WILLIAM B. SCHILTGES

(6) BOARD OF LAY ACTIVITIES

The Board of Lay Activities presents the following recommendations:—

1. That the Committee for "Study of Bases of Apportionment" be continued, and that a recommendation be reported at the 1954 Annual Conference. We believe several factors should be basic considerations for establishing apportionments; that it is desirable that more of the financial resources of smaller churches be invested in ministers' salary; that with increased salaries in the smaller churches, a stronger clergy will be attracted into the ministry and into Indiana Conference.
2. That the Ministrial Group Life and Hospital Benefit Insurance Program with Aetna Insurance Company, dated March 3, 1954, "Plan

B" be approved. This plan includes the following changes from the present plan; Room allowance, $5 be increased to $8, total miscellaneous hospital expense, $50 up to $80. No increase in assessments will be needed to meet the increased purchase expense during the next Conference Year.

3. That all Indiana Conference Methodists enthusiastically support the "Indiana Conference Building Program," in raising funds sacrificial giving and in helping plan for the erection of a new Home for the Aged and for new churches for new congregations in new growth areas.
4. That ministers and lay leaders plan increased emphasis on stewardship in the local church program, with sermon emphasis "quarterly." The Indiana Conference Building Program fund-raising campaign effort will therefore result in wider stewardship responsibility.
5. That ministers and lay leaders establish Methodist Men organizations in every church or charge, since the information, inspiration and fellowship achieved will strengthen the churchmanship of each man, and the program of each church.

(8) REPORT OF THE BOARD OF MISSIONS AND CHURCH EXTENSION of the Indiana Conference to the 122 Session of this Annual Conference:

The Conference Year, 1952-53, has brought to this Board of Missions and Church Extension an urgent challenge to more effectual service in the affairs of the Kingdom of Christ as presented in the fields of World and National Missions, and especially in the Division of Church Extension within the Indiana Conference.

The astute leadership of our Resident Bishop, Richard C. Raines, with his wise counsel and personal experiences in the fields of missionary need; the inspiring examples of our Conference Missionary Secretary, and of the District Missionary Secretaries; the urgencies of such interested laymn as Mr. Lloyd Sanders; the diligence of our District Superintendents; the devotion of our pastors, all in the light of the actions of the General and Jurisdictional Conferences of our church, combine to urge us unto an intelligent and thorough consideration of the needs of our Conference as presented by the centers of shifting and increasing population.

Such consideration has been given to these situations by the cooperation of The Committee on Special Projects, Mr. John Hoadley, Chairman; the attentive and hard work of the District Superintendents; and the representatives of this Annual Conference Board giving personal study to various situations as referred to us by the District Superintendent and the District Boards of Church Location, and thus, we have become acutely aware of the necessity for additional numbers of trained, Christian leaders, and for increased financial support with which to furnish leaders to win Souls to Christ, and to train these converts in the Way of Righteousness and Christian faith; to furnish places of worship, pastoral oversight of the children, the aged, the sick, the troubled, the needy; and to furnish programs of Christian Education for children, youth and adults.

We believe this end may be reached by; either, a more closely knit organization of the Local Church Commissions on Missions, the District Committees on Missions, the Annual Conference Board of Missions and Church Extension, all with the Jurisdictional and the General Conference Boards of Missions; or, the appointment of a full-or part-time worker who can give personal attention to this important phase of the Kingdom Enterprise.

Assuredly we dare not minimize the importance of, nor reduce our support of World Missions, nor of National Missions as presented by our General Conference, rather we urge each pastor, and lay member to support our world service Agencies and Projects as the calls come unto us.

However, we are deeply concerned that these local situations in which the total program of the Kingdom of our Lord is involved, and at the local Church level, be not overlooked nor neglected since these represent the well-springs of resources, both human and material.

And now in order to meet these claims upon us, we, your Board of Missions and Church Extension do recommend to this Annual Conference the adoption of the following:

First: That the Indiana Conference Building Program, now under way, be re-indorsed, and continued, and that we here express our confidence in, and appreciation of the leadership of Mr. Andy Anderson of the American Cities Bureau; also, that as a Board we do appreciate the congenial cooperation of the Committee on Special Projects, Mr. John Hoadley, chairman; and the Board of Trustees of the Home for the Aged, Mr. Ralph Hastings, chairman and Dr. S. L. Martin, Secretary. Also, the gracious and efficient leadership of Mr. Stanley Byrum, chairman, and Mr. John Hoadley, vice-chairman of the Building Program.

Second: We recommend the financing of the attendance of the Conference Missionary Secretary and of the District Missionary Secretaries on the Jurisdictional Missionary Institute or Conference to be held this summer.

Third: We recommend that a copy of "Christian World Facts" be supplied to each pastor throughout the Conference, through the Conference Missionary Secretary

Fourth: While expressing our gratitude for and appreciation of the service which Dr. E. E. Aldrich has rendered as Conference Missionary Secretary for the past several years, we reluctantly accede to his request that he be released from this office at this time, and recommend the appointment of his successor by our Bishop at this Conference session.

Fifth: We recommend that we, as individual members, as pastors, as leaders of the Methodist Church, do continue to practice, to preach, to promote, wherever and whenever possible the Scriptural plan of Christian Stewardship of Life, acknowledging God as the Owner of all things, and gratefully accepting the high privilege of our being His children and "workers together with God" as stewards of all the means of promoting the Kingdom of our Lord Jesus Christ in the Earth.

Sixth: We recommend to the officials of the School of the Prophets, that there be included each year in the curriculum of the school, a course in Missions to be taught by an outstanding missionary or world leader.

Seventh: We recommend to the Board of Education of our Conference that as often as possible, courses in missions be offered to the youth in Summer Camps and assemblies, and that a definite missionary challenge be given the youth in connection with the call to full time Christian service.

Eighth: We respectfully request the District Superintendent of each district to make special effort to assist pastors in implementing the disciplinary provisions for a School of Missions in each charge. Par. 237, Discipline 1952—"To plan each year, under the leadership of the pastor with the cooperation of the Woman's Society of Christian Service, and the Commission on Education, for a school of missions in order that the entire congregation, adults, youth, and children, be drawn into a period of intensive study, using the study books and other materials issued or recommended by the Section of Education and Cultivation, and approved missionary materials for children and youth."

Ninth: We recommend that the Board of Missions and Church Extension be instructed by this Annual Conference to study the possibility of our supporting a missionary on the foreign field as a project of the Annual Conference, and the support to be paid through the budget of the Board of Missions and Church Extension. And if the Board finds such a project to be possible and advisable, that such item be included in its budget beginning with the Conference of 1954-55. Further, be it recommended, that such missionary, if possible, be a person who has come from our own Indiana Conference.

Tenth: We recommend the adoption of the followings items representing our budget for the ensuing Conference Year—1953-54.

1—Conference Church Extension	$6,200.00
2—Conference Missionary Work	5,450.00
3—Conference Board Expenses	1,000.00

(9) AREA BOARD OF PUBLIC RELATIONS
Report to Annual Conferences, 1952-1953

The Indiana Area Public Relations Program took another major step forward in 1952. After pioneering in religious public relations for the first three years of its existence with a part-time director and secretary, the program now has a full-time director and will add a full-time secretary at the beginning of next conference year.

The new director, Nelson Price, assumed his duties on September 1, 1952. He found an active and well developed public relations program in operation which he has tried to continue and to expand.

During the first months under the new leadership, the Area Program has dealt with many phases of public relations. There has been concentrated activity in press coverage including both secular and religious newspapers and magazines. Radio and television have both received attention with more and more emphasis being placed on the newer medium. The Hoosier Methodist has been placed on the newer medium. The Hoosier Methodist has been published monthly and a revision of its subscription list completed, the latter requiring 8500 address changes. Promotional material has been designed, printed and distributed through the churches. The director has appeared before church organizations and groups to speak about a practical public relations program for the local church and about the overall Area public relations program.

The director is continuing Indiana's traditional pioneering spirit in the field or religious public relations. When Bishop Raines was invited by the Army to go to Korea, Indiana Public Relations contacted the Army Public Information Office for their aid in furnishing complete news coverage of the trip. They supplied the Public Relations office with glossy photos, taped radio interviews and films for use on TV, all of which were used to the fullest possible degree. The practice is now being employed by other Areas.

In another field, the Indianapolis district took the lead in sponsoring a television show for children. Entitled "Let's Go to Sunday School," the show is broadcasted at 5:15 p. m. every Friday. Because the program is a large responsibility for an individual district, the Area Public Relations Office has assumed part of the production and all of the promotional responsibilities in connection with the program.

The director looks towards a future in which the Public Relations office will offer more and more services to the local church and pastor in the fields of publicity, printed brochures and programs (aid in designing), radio and TV programming, and effective public relations techniques and practices in the various phases of the local church's program.

The total public relations budget for the year 1953-54 has been placed at $14,120. It is now beginning to get to a place where an effective public relations program can be carried forth. Indiana is to be commended for its foresight in establishing a public relations program and for supplying the working funds which the program needs as it naturally expands and develops.

(10) REPORT OF THE BOARD OF TEMPERANCE

The Board of Temperance wishes to express its deep appreciation for the fine response made by our church people to its requests for letters in support of certain bills during the last session of the Indiana General Assembly. "The cause of temperance received more favorable consideration during the 1953 session than it has received in the last quarter of a century." (Ellis B. Hargrave—Sup't for Temperance League)

Some of the bills enacted into law can be summarized as follows:

S. B. 121 makes it illegal for a minor to have alcoholic beverages in his possessions.

S. B. 85 and 60 increase the penalty for drunken driving and property damage.

S. B. 127 provides identification cards for young adults who purchase alcoholic beverages.

S. B. 186 cancels contract of bus drivers (schools) who drink during school hours or while on duty.

The greatest loss to the dry cause was the refusal of the legislators, despite urgent requests from thousands of church people, to adopt some form of local option law.

We are glad to report, however, that all the districts are organized to carry on a vigorous program of total abstinence. They also will co-operate with the state temperance workers in securing Christian laymen to run for political office.

Our major objectives for next year will be:

1. A Temperance Seminar in each district with outstanding faculty.
2. Sub-district follow-up meetings for officers, teachers of church school.
3. A program for youth that will reach the Junior & High School age groups.
4. Greater observance of Commitment Day in our churches.
5. Train more young people and laymen by sending them to national conferences on temperance.
6. Vigorous campaign for adoption of a local option law.

1. We wish to commend the President of the United States, Dwight D. Eisenhower, for his reported pledge of total abstinence, and for his re-

ported promise that there will be no servings of liquor in the White House as long as he is president.

2. We strongly urge the Secretary of Defense to exclude tax free and other alcoholic drinks from Armed Forces installations at home and abroad. We request the committee to notify the Secretary of our convictions in this matter. We commend the W.C.T.U. for providing fruit drinks to our service men across the seas.
3. We urge our people to continue to protest beer advertising over radio and television, on billboards and in magazines and to help initiate laws in Congress which will prohibit the liquor traffic from conducting its subtle and dangerous programs that teach our youth to drink. We firmly believe that this practice is an invasion of the sanctity of the home.
4. We call attention to the General Conference Legislation (Par. 246) and urge loyalty to the church's program for creating local temperance committees in every church. The chairman of this committee, when constituted, is a member of the Official Board.
5. We request that the District Secretaries of Temperance be made ex-officio members of the Conference Board of Temperance.
6. We sincerely request all churches to observe Commitment Day so that our Methodist Church may continue to advance among its people total abstinence from alcoholic beverages.
7. We deplore the misleading advertisements of the tobacco companies. We urge our ministers and teachers to teach our youth the harmful effects of nicotine on their bodies.
8. We challenge our pastors and church school leaders to teach fearlessly and systematically on temperance and to seek commitments by all age groups.

(11) COMMISSION ON CHRISTIAN VOCATIONS

The conviction that God is working in the world to bring abundant life to man, gives assurance that one can find and express God's will in a wide variety of occupations. No vocation is automatically a Christian vocation. It becomes a Christian vocation as one brings to his work Christian attitudes, purposes and principles. The test is simple. The occupation must—"Meet real human need, be morally constructive and helpful, call forth the full use of one's talents, build fellowship, and respond to a conviction that God calls one to serve."

Vocational counseling has an important task in helping young people discover and fit interest and aptitude to significant occupations. Leaders who are recruiting for special types of work must keep this larger view before them, realizing that fundamental respect for personality and devotion to the Kingdom demands that the Counselor help the young person find his place of richest usefulness and development, whatever that place might be.

At this time of world crisis The Methodist Church needs more consecrated and qualified personnel. There are pastorates without adequately trained ministers, schools needing teachers, churches seeking in vain for directors of Christian education, settlements short of social workers, hospitals needing doctors, nurses, and administrators.

During the next four years it is estimated that The Methodist Church will need; 6,000 ministers; 12,000 doctors, nurses, and social workers; 1,500 in mission service—at home and abroad—and 2,000 christian educators. The need is urgent and the Church offers vocational opportunities to youth and adults who are both competent and consecrated.

In assuming our full share toward reaching these needed goals, our Conference Commission has cooperated with the two other Annual Conferences in an Area Conference at North Methodist Church, Indianapolis, April 18-20. Fifty-two of our young people attended full time and other youth and adults came in for counseling periods with some as resource personnel. The enrollment for the three Conferences was 144. This represented a 60% increase over last year's attendance.

The Conference was of such high caliber and resulted in such practical help for our youth that, by demand, we will again provide such a Conference next April 23-25.The Commissions have enjoyed the full support of our Area leaders and many have given excellent service both in planning and in the capacity of resource leaders.

At the April Conference, we were greatly encouraged and helped by the presence and message of our beloved Bishop Raines, Bishop Gerald Kennedy of Los Angeles and Dr. James Chubb, Grand Island, Nebraska. Eight young men of the ministry group in this conference have pre-enrolled in Methodist Seminaries for this fall and out of the group five are products of the Indiana Conference.

In preparation for a more intensive Conference program next year, the Commission has requested an apportionment of $400.00 from the Commission on World Service and Finance to cover the expense for both the Area and the Annual Conference promotional work.

Ralph O. Pearson, Chairman
Harold W. Hewitt, Secretary
(May 14, 1953)

(12) TOWN AND COUNTRY COMMISSION REPORT

As a result of group study we present the following recommendations:

(1) That the Indiana Conference Church Extension program recognize the proportionate population and strategic importance of the rural area in the allocation of funds and leadership.

(2) That the conference recognize the strategic importance of county or area group programs of church administration, service, and ministry.

(3) That our stronger and established churches consider the possibility of helping struggling groups and neighboring areas to build efficient and stable church programs.

(4) That the local church Farm and Home Committee in cooperation with pastor, district, superintendent, and district Rural Life Committee engage actively in locating Methodist families on the land and in homes and businesses in the vicinity of the local church. Such a program is designed to keep to a minimum the use of church funds for relocation of buildings.

(5) That the pastors of the conference attend the Rural Pastor's Seminar at DePauw June 29 to July 3, 1953 and that the leadership of the School of the Prophets consider the advisability of including effective courses dealing with specifically rural church situations in its annual program.

(6) That we look favorably upon the in-service training program for student pastors proposed by Evansville College.

(7) That C. L. Carmichael be elected as conference secretary of town and country work and be publicly assigned by the bishop to promote the policies and plans of the commission as provided in paragraph 1231, Sec. 4 of the 1952 **Discipline.**

C. L. Carmichael, Chairman
Dallas Collier, Secretary

(13) REPORT OF THE COMMISSION ON WORLD SERVICE AND FINANCE

In this first report of the new quadrennium, your Commission on World Service and Finance presents its recommendations, conscious of the fact that most of its members are new in this responsibility. However, all requests for funds were given careful consideration, and the attached proposed budget represents what, in our judgement, will meet the needs of our **total** Conference program most adequately.

Although requests for amounts totaling $46,243 were not included in the budget, the suggested apportionments will represent a 12.9% increase in World Service and Conference Benevolences and 3.3% in Administrative Expenses. However, we believe that with the anticipated increases in pastors' salaries for the coming year, we can absorb the proposed increases with little or no change in the percentage figures used to set the apportionments for the local churches.

38. EMERGENCY AID FOR RETIRED PREACHERS—Whereas it has been the labor of your Commission not to increase levies on the churches this year, and whereas the laymen of the Annual Conference are espousing an unprecedented financial campaign, it is the feeling of both the Board

of Conference Claimants and your Commission on World Service and Finance, that the pastors of our conference would covet the opportunity of providing the emergency funds necessary to maintain our present annuity rate, as an act of brotherhood toward our Veterans of the Cross. Therefore, we recommend that all ministers receiving a salary of $3600.00 or more, voluntarily accept an assessment of one (1) percent of their cash salary for this purpose, and that those ministers receiving less than $3600.00 accept a voluntary assessement of one half (½) percent of their cash salary for the same purpose. We also recommend that this vote be taken by orders—the ministers voting first.

39. RATIO OF WORLD SERVICE TO CONFERENCE BENEVOLENCES—The percentage distribution of the amount given to World Service and Conference Benevolences shall be 64.305% for World Service and 35.695% for Conference Benevolences.

PROPOSED ACTIONS NECESSARY FOR THE SALE OF THE EPISCOPAL RESIDENCE AND THE PURCHASE OR CONSTRUCTION OF A NEW EPISCOPAL RESIDENCE

1. A motion for reconsideration of previous actions

The Commission on World Service and Finance of the Indiana Conference moves to reconsider the action of the Indiana Conference relative to the Episcopal Residence taken in the session on Friday, being the 20th day of June, 1952 and recorded at page 123 of the Conference Minutes for 1952 session, for the purpose of presenting an amended plan for the sale of the Episcopal Residence of the Indiana Area of the Methodist Church located at 4014 North Pennsylvania Avenue, city of Indianapolis, county of Marion, state of Indiana and of financing the purchase or another Episcopal Residence for the Indiana Area of the Methodist Church.

2. A recommendation for action by the Indiana Conference Corporation, an Indiana Corporation in connection with the sale of the Episcopal Residence

The Commission on World Service and Finance of Indiana Conference recommends that Indiana Conference request the Indiana Conference Corporation of The Methodist Church, an Indiana Corporation, to authorize its Board of Trustees to sell the property at 4014 North Pennsylvania Avenue, city of Indianapolis, county of Marion, state of Indiana, known as the Episcopal Residence of the Indiana Area of the Methodist Church and to direct that the proceeds from said sale be used for the purchase of another Episcopal Residence for said Area or the purchase of a site and the construction of a new Episcopal Residence for said Area, and further to authorize the president and secretary of said Board of Trustees of the Indiana Conference Corporation, an Indiana Corporation, to execute all papers necessary to complete the transaction.

3. A recommendation requesting the purchase of another residence or a site upon which to build a new residence and authority to arrange contracts

The Commission on World Service and Finance of Indiana Conference recommends that Indiana Conference requests the Indiana Conference Corporation of The Methodist Church, an Indiana Corporation, to authorize its Board of Trustees in co-operation with the Committees on Episcopal Residence from the North Indiana, the Indiana and the Northwest Indiana Conferences, to arrange for the purchase of another Episcopal Residence for the Indiana Area of The Methodist Church after the sale of the present Episcopal Residence or the purchase of a site on which to build a new Episcopal Residence for said Area, if construction of a new residence appears necessary and further to authorize its Board of Trustees to execute all contracts for the construction of a new Episcopal Residence for said Area and that the Board of Trustees in the case of either the purchase of an Episcopal Residence for said Area or the construction of the same, authorize its president and secretary to execute all and the proper papers connected with purchase and contracts for construction.

4. A recommendation requesting authority to borrow money and mortgage property

The Commission on World Service and Finance of Indiana Conference recommends that Indiana Conference request the Indiana Conference Corporation of the Methodist Church, an Indiana Corporation, to authorize its Board of Trustees to borrow money in a sum sufficient to purchase an Episcopal Residence for the Indiana Area of The Methodist Church or to construct a new Episcopal Residence for said Area on the site which may be purchased but not to exceed $30,000.00 (Thirty Thousand Dallars) and to give as security for such loan, a first mortgage on said newly acquired or newly constructed building and the site thereof—and further to authorize the president and secretary of said Indiana Conference Corporation of said Indiana Conference, an Indiana Corporation, to complete all papers necessary for the providing and securing of said loan. And that apportionments be made to the Annual Conferences on the currently accepted percentage basis for the total amount needed annually for the amortization of a loan of $30,000 covering a period of eight years, the first apportionments to be made and payable during the conference year 1953-54. It is further recommended that not later than the end of the conference year 1956-57 the financial status of the Episcopal Residence Fund be re-examined and that apportionments be then adjusted in relation to any accumulated balances in the treasury either from payments on apportionments or from allowances from the Episcopal Fund.

5. A recommendation outlining the disposition of proceeds from the sale of the Episcopal Residence in case it ceases to be used as such

The Commission on World Service and Finance of Indiana Conference recommends that Indiana Conference agree with the North Indiana Conference and the Northwest Indiana Conference that in the event the property occupied as an Episcopal Residence for the Indiana Area of The Methodist Church, ceases to be used as an Episcopal Residence for said Area and be sold, that then the proceeds from such sale be pro rated among the Conferences on the basis of the percentage effective at the time of the purchase or the construction of said residence and that the funds accruing to the Indiana Conference be allocated to such cause or causes within the Indiana Conference as the Board of Trustees of the Corporation of Indiana Conference may recommend and the Indiana Conference may approve.

E. COMMITTEE REPORTS

(14) REPORT OF COMMITTEE ON BASIS FOR MAKING APPORTIONMENTS

Appointed at the Called Session of the Indiana Conference, January 6, 1953

The committee appointed to study the basis for making apportionments believes that the present method, based on the ministers' salaries, is inequitable and places a burden on the smaller churches, and that the plan for apportionment should be based on several basic factors.

Therefore the committee recommends:

(1) That the present committee be continued another year for study;

(2) That the names of two additional laymen be added to the present committee of five, consisting of three laymen and two ministers;

(3) That five hundred dollars ($500.00) be allowed for the expense of accounting and travel of this committee for the year 1953-54;

(4) That the executive committee of the Commission on World Service and Finance be ex-officio members of this committee, and that they shall meet with the committee as consultants;

(5) That the committee submit a report to the spring meeting of the Commission on World Service and Finance for their approval, prior to the Annual Conference of 1954;

(6) That the report, approved by the Commission on World Service and Finance be presented to the members of the annual meeting of the Indiana Conference in 1954, to be voted upon.

J. A. Hoadley, chairman
Mrs. Frank Ellis, secretary

(16) REPORT OF YOUR INDIANA COUNCIL OF CHURCHES TO ITS CONSTITUENT DENOMINATIONS

The Indiana Council of Churches made more progress in the past year than in any other single year of its history. A number of developments took place which will have highly important implications on the cooperative ventures of the denominations of the state for many years to come.

One of these was the interdenominational and denominational Staff Conference held at Purdue University, October 6-7, 1952. 51 people attended this meeting—denominational executives, Council officers, departmental chairmen and staff. Together they planned the cooperative program for the year ahead. The quality of the meeting was such as to elicit from Dr. J. Quinter Miller, Director of the Field Department of the National Council of Churches and his associate, W. P. Buckwalter, both of whom attended the meeting as consultants, the statement that this was one of the best conferences they had ever attended.

Another significiant development during the year was the addition to our staff of Rev. Arthur R. Anderson, West Lafayette, as Director of the Christian Education Department. Associated with him is Miss Mary Ruth Atkins, formerly a secretary in the office of the Connecticut Council of Churches. During the year also the CROP program for Indiana became the responsibility of the Indiana Council of Churches. Mr. Ralph C. Werner, formerly with the Indiana Red Cross, is now serving as CROP Director. In 1952 our CROP drive netted nearly $44,000. Included in this program was the PLOWS FOR INDIA Project, as it is again this year.

Among the important events that took place this past year on the National level and in which the Indiana Council of Churches was greatly concerned, was the strong outcry against the sending of an ambassador to the Vatican. Thousands of letters from all over the nation including many from Indiana, as a result of the Council's activity, succeeded in having the issue shelved.

Another was the resounding defeat of UMT in Congress. A part of this defeat lies in the fact that church people in Indiana opposing it, wrote thousands of letters to their congressmen with the result that every one of Indiana's eleven congressmen voted against the proposal.

In May a United Nations Seminar team consisting of Dr. A. William Loos and Mr. John Inman of the Church Peace Union, New York; Dr. James A. Crain, chairman of our Department of Social Action; Dr. Hampton Adams, St. Louis; and the General Secretary, Dr. Ralph Holland, conducted seminars in seven cities across the state. The purpose of these seminars was to tell the story of the achievements of the United Nations.

During the year the Indiana Council of Religion in Higher Education joined forces with the Indiana Council of Churches and became the Department of Religion in Higher Education of the Council. Last month a Department of Church Men was formally organized and is now on its way.

The denominational chairmen of Town and Country Committees held a two-day meeting at Merom Institute and discussed many problems facing churches in these areas. Out of it has come a plan approved by the Board of Directors, for study of one of the rural areas of the state with a view to starting an inter denominational LARGER PARISH, in the hope of discovering an instrument for more effectively meeting some of the religious problems in the rural areas of Indiana.

In September 124 Revised Standard Version Bible Observances were held in that many communities of the state. These celebrations have done much to revive an interest in Bible reading.

Your Council under the chairmanship of President Russell J. Humbert of DePauw University, launched a campaign among all Protestant churches in Indiana Pentecost Sunday, May 24, for $65,000 to convert one wing of an airplane hangar on the campus of the International Christian University of Japan, into a Physical Educational Building.

The State Pastors Conference was held in St. John Evangelical and Reformed Church, Evansville, last January. By holding the conference in that city the ministers of the state were able to take advantage of the Greater Evansville Christian Rally which brought to that city some of the nation's greatest religious leaders, including Charles Templeton, noted evangelist of the National Council of Churches.

The 1954 Conference will be held February 1, 2, 3 at DePauw University, Greencastle. President Russell J. Humbert has volunteered to reinstate the Mendenhall Lectureship as a part of the Conference. The magnificent facilities of the University and the gracious spirit of its administrative staff, together with the outstanding array of leadership will make this Conference outstanding for the clergy of Indiana.

The Department of Christian Education conducted a series of 30 Vacation Church School Workshops in Indiana during the year. All this was done by teams of five leaders each spending a week in the field. They were trained at a Coaching Conference in Indianapolis in February. The Annual Midwest Audio-Visual Workshop was held again in Bloomington and trained 56 people from twelve denominations for more effective service in this field. The Department is now creating a Youth Council for the state on a strictly interdenominational basis. Through its committee on Weekday Religious Education the Department has promoted this type of Christian education for youngsters across the state. The Department also supervises the Leadership Education program and each year sponsors a conference for the Deans of these schools. There were 25 accredited interdenominational schools in the state last year. These schools reached upward of 2,000 church school teachers.

The Migrant Committee last year carried on a ministry among the 30,000 migrant Crop workers in Indiana. $3,294.23 was raised in communities of the state to help carry on this ministry of pastoral counselling, preaching services, vacation church schools, Sunday schools, recreation services, etc.

The Department of Church Men was formally organized on December 5th. The Executive Committee which met in March has decided upon a LITTLE BUFFALO Conference for Indiana in 1954. A committee has been appointed to get this program under way so it will be a means of helping definite occupational groups in Indiana to study the significance of Christianity in their chosen work. It promises to be one of the big events of next year.

The Department of Church Women again observed World Day of Prayer the first Friday of Lent. More than 500 groups in the state met for this purpose and contributed $13,799 for benevolent purposes. May Fellowship Day was observed on the First Friday of May and brought together women in many different communities in the spirit of fellowship and service. World Community Day was held the First Friday in November and called people to study, share and act in the interest of Missions—National and International. It also emphasized the importance of studying and supporting the United Nations as a means of achieving World Peace.

These past ten years have been years of foundation laying. Now an entirely new climate is developing among our Protestant churches in Indiana. An increasing desire to do more things together is clearly seen in the expanded program. The developing spirit of cooperation among the Protestant bodies of the state is indeed a hopeful omen. Increasingly the denominations are developing a singleness of purpose.

At the Purdue Conference October 6-7 the denominational leaders in attendance emphasized that the Indiana Council of Churches is a Council of Denominations and is their agent to carry on those areas of their programs that they want to do in cooperation, therefore, it was felt that the denominations should underwrite the central core budget of the Council and let additional funds accrue toward the establishment of other areas of cooperation. The Finance Committee is now in the process of working out a formula to be presented to the denominational leaders at a similar conference to be held at Purdue University, October 5-6, 1953.

Attention is called to changes in section 1, Article II BASIS OF REPRESENTATION and Section 1, Article III, BOARD OF DIRECTORS of the By-

Laws of the Council made at the Board of Directors meeting on February 16, 1953, as follows:

Section 1. **Basis of Representation.** Each constituent denomination or communion shall be represented in the membership of the Council by, twelve (12) voting representatives or their alternates who may be of the ministry and of the laity on the basis of the first ten thousand (10,000) members or fraction thereof, plus one (1) additional representative for the next twenty thousand (20,000) members or major fraction thereof, plus one (1) additional representative for each fifty thousand (50,000) thereafter, or major fraction thereof, **one third of whom shall be women.** These representatives and their alternates shall be chosen according to the laws and customs of these organizations.

Section 1. **Board of Directors.** The Board of Directors shall consist of representatives elected by the constituent denominations from their delegates to the General Assembly on this basis: two representatives for the first ten thousand (10,000) members or fraction thereof, plus one (1) additional representative for the next twenty thousand (20,000) members or fraction thereof, plus one 1) additional representative for each additional fifty thousand (50,000) or major fraction thereof, **one third of whom shall be women.** The administrative officer of each denomination shall be an ex-officio member.

The Board of Directors asks that denominations in their spring meetings take cognizance of these changes so that women may be official representatives of their denominations in the Council.

New challenges face the church each year but we are confident that by the grace of God and by uniting our strength we can meet them successfully.

(17) THE EPISCOPAL RESIDENCE

To the Indiana Conference, 1953:

The Committee on Episcopal Residence has had several meetings and have now perfected their plans for the Residence Bishop of the Indiana Area.

The land upon which this house is to be built is located at 7350 north on Illinois. It is a large lot, located in a very lovely neighborhood and the parsonage will be a three bedroom house with a large living room and other facilities will be attractive to any Bishop or to anyone who would desire to purchase if it were no longer used for an Episcopal Residence.

Any new furnishings necessary for this new home will be paid for out of the maintenance fund which at this time amounts to over $3600. The Treasurer's report is hereby attached for your information.

The Committee's decision to build a new home was due to the fact that it was difficult to find a home that was already built that met all the needs of the Resident Bishop. They were not adapted to the plan we had in mind, having one bedroom on the first floor and a large living room sufficient for large committees and a reasonable size gathering.

Your Committee is asking the Indiana Conference to approve our share of $30,000 to build this new Episcopal Residence subject to the approval of the Commission on World Service and Finance.

This report is submitted by the Chairman of the Committee, Sumner L. Martin, Indianapolis; Secretary, Mrs. Stanley Byram, Martinsville, Indiana The remaining members of the Committee are as follows: Dr. C. T. Alexander, 910 Underwriters Bldg., Indianapolis; Mr. Edward Gallahue, American States Insurance Co., 542 N. Meridian St., Indianapolis; Rev. S. M. (18) THE CONFERENCE HISTORICAL SOCIETY

May 1, 1953

The Historical Society has had several meetings during the year and have made splendid progress in the way of locating graves of the members of the Indiana Conference and the establishment of a very fine Archives at DePauw University.

Dr. Worth M. Tippey is the Archivist and Dr. A. W. Crandall as the Associate.

When the new Library Building is completed at DePauw University this department will have special consideration and will at that time be organized upon a permanent basis.

The three Conferences of the Indiana Area should pay the larger part of the Archivist when the University has provided for our new quarters.

The title to the Old Bethel Church at Charleston, Indiana has been transferred to the Trustees of DePauw University by action of the old Indianapolis Area Council which was reactivated for this purpose. It is recommended that the balance in the Treasury at the time of our next session in June should be transferred to DePauw University to care for the records in the Department of Archives and to add to the facilities of that department.

The Commission on World Service and Finance is requested to give this Society $200 expense money during the year for their meetings and other incidentals and expenses.

Membership is carried in the National Methodist Historical Society and the Historical Society of the State of Indiana. Total cost of these two memberships per year is $13.00.

Your Historical Society urges every minister and layman to make diligent search in the attic and corners of your parsonages and churches for historic relics and documents that can be added to our splendid department of archives at DePauw University. They should be sent to Dr. Worth M. Tippy, Greencastle, Indiana, or, if necessary, they will be called for.

We recommend that in 1955 that a special roll of churches of the Conference be printed in the Minutes, indicating the year in which they were organized, together with historical foot-notes. We estimate that this would not take more than six pages, and should appear every 10 years in the Conference Minutes.

We recommend that a layman and a minister be appointed in each District, at the Spring District Conference, and that they become members of the Historical Society to aid in the carrying forward this work.

We recommend that a historian in each local church be appointed at the fourth Quarterly Conference, to prepare a history of each church and to aid in caring for the historical materials.

We recommend that we cooperate with the other Conferences of Indiana in preparing suitable markers for the graves of ministers and their wives or widows; and that we establish May 24th throughout the Conference for the decoration of such graves.

We recommend that suitable markers be placed at the site of, or upon the historic shrines throughout the Conference.

We recommend that The Conference Corporation acquire the property where the home of Bishop Robert R. Roberts stands at Lawrenceport, Indiana.

We recommend that this Conference cooperate with the other Conferences of the state in supporting and carrying forward the work of the Department of Archives in DePauw University.

S. L. MARTIN, President
EDWIN F. SHAKE, Secretary

(19) COMMITTEE ON MUSIC

I. Funeral Music

We consider a funeral service a sacred memorial service which should comfort and inspire. Since we believe in immortality, our choice of music should express that faith, not morbid sentimentality. We suggest the playing of such symns, as:

A mighty fortress is our God
Faith of our fathers
I know not what the future hath
Flemming (Tune)
Aberystwyth (Tune)
Consolation (Tune)
For all the saints who from their labors rest
My faith looks up to Thee
O God, our help in ages past
O Word of God Incarnate
O Love that wilt not let me go
Jesu, Priceless Treasure
The Lord's Prayer
Cast thy burden upon the Lord
God so loved the world

II. We recommend that choirs of churches in addition to that of the host church be invited to sing at the several evening services of the annual conference.

III. We recommend that the chairman of this committee be invited to meet with the conference program planning committee.

(20) CONFERENCE COMMITTEE ON PENSIONS

The Indiana Conference Committee on Pensions submits the following recommendations:

1. In order to conform to pension legislation enacted by the General Conference (Discipline, 1952, Par. 1618 and Par. 1643,11), in the cases of all new entrants having served in the Indiana Conference, years of approved service on trial in the Conference and years during which a minister has been left without appointment by the Conference to attend school shall be counted for annuity claim and shall be funded in the Ministers Reserve Pension Fund at the close of the session at which a member is admitted to full connection. In the cases of new entrants already received in full connection, funding shall take place at the end of the 1953 session.

This requires now a Conference contribution for 177¾ service years in the cases of 72 men at a total cost of $44,393. Eighteen of these men have transferred out, but served a total of 45½ approved years under appointment by the Indiana Annual Conference.

Each man effected hereby may enter into arrangement with the Board of Pensions of The Methodist Church Incorporated in Illinois, 740 Rush Street, N., Chicago 11, Ill., for payment of his personal contributions for these years.

2. A directive from the Board of Pensions of The Methodist Church provides that approval of years of supply service or service on trial shall be ordered by the Conference on recommendation of the Board of Conference Claimants. Requests for such approval will therefore be submitted to that Board.

3. Your Committee on Pensions should be elected for the Quadrennium, and should be composed of not more than 9 members (Discipline, 1952, Par. 1645, 9).

4. We recommend that New Entrants on Trial be no longer assessed the 2% for Ministerial Relief, but be required to make their personal contributions each year to the Reserve Pension Fund (Discipline, 1952, Par. 1646, 5).

Chairman, Frank M. Templin
Secretary, Robert R. Rowland

(21) SCHOLARSHIP COMMITTEE

The Committee met in its annual session at Bloomington, Indiana, April 16, with a good attendance of the Committee present. The following recommendations were passed:

1. We recommend that the Indiana Conference sponsor two scholarships at each of the schools, DePauw University at Greencastle and Evansville College at Evansville, Indiana. Known as the Andrew J. Bigney Scholarship at Evansville and the Bishop Robert R. Roberts Scholarship at DePauw.

   These scholarships to be $400 each. Totaling $1600 for the two Schools.

2. That we recommend the Andrew A. Bigney Scholarship be continued for David Lawson and Lowell Foster for 1953-54 and if the money is available an additional scholarship for Donald N. Griffith.

   For the Bishop Robert R. Roberts Scholarship at DePauw the Committee recommended Mr. Neal Fisher, son of Floyd Fisher of Center Church of the Indianapolis District and Merle Douglas Lenham. The Scholarship Committee of DePauw is to recommend an additional name if money is available.

   It was also recommended that the private solicitation of funds for scholarships be continued and as many scholarships as possible be furnished to these two schools for young men preparing for the Methodist Ministry.

   It was noted in the discussion that the matter of furnishing scholarship has become an established policy in industry and in professions and it is highly desirable to continue this practice to furnish college education facilities for those who are worthy applicants of the Methodist ministry in the Indiana Conference.

   It was also decided that these scholarships should be given to young men from the Indiana Conference if possible.

   Dr. W. C. Patrick, the Conference Treasurer, reported that $400 has been paid to Evansville College for the Andrew A. Bigney Scholarship and a cash balance of $178 was available, for the Roberts Scholarship. $37.00 balance in the expense fund.

   The membership of the Committee is as follows: Summer L. Martin, Chairman; M. B. McFall; G. L. Kemp; F. R. Fisher, H. O. Kisner, R. B. Baldridge; W. C. Patrick; G. D. Carpenter. Laymen as follows: Archie Cox, J. E. Morelock, W. J. Gelvin, Gus Lowery, A. R. Williams and Harold Finke.

3. That we recommend that the Committee be authorized to continue its practice of soliciting private funds, that the number of scholarships might be increased in these two institutions.

S. L. MARTIN, Chairman
G. L. KEMP, Secretary

(22) SPECIAL PROJECTS COMMITTEE

In keeping with the directive of the General Conference of 1952, the 1952 Annual Session of the Indiana Conference appointed this committee to study the needs of the Conference and report to a special session which was to meet in January of 1953. Our study revealed two critical needs; Church Extension and a Home for the Aged.

In cooperation with the Conference Board of Missions and Church Extention, and the Board of Directors of the Home for the Aged, we recommended to the Commission on World Service and Finance that a Campaign for funds be planned to produce enough money to aid the work of Church Extension in population growth areas and build the first unit of a Home for the Aged.

After the Indiana Conference Special Session January 6, 1953, your Committee set the period January through August for education and organization and September, October and November 1953, for active solicitation of the larger gifts and intensive solicitation of all sized gifts from every member of the Conference. Official title of Campaign is "Indiana Conference Building Program." The Conference Treasurer and all District Superintendents were added as unofficial members of the Special Projects Committee. The contract was signed in January with the American

City Bureau to lead this Campaign, and their representative, O. T. Anderson, began duties early February, and offices were established at 301 Lemcke Building, Indianapolis 4, Indiana. Dr. S. L. Martin has continued assisting Mr. Anderson, speaking and working for the united causes in one Indiana Conference Building Program.

The Special Session of the Annual Conference, which met on January 6, 1953 passed the following resolutions on motion of Henry G. White:—

REPORT OF WORLD SERVICE COMMISSION—The Commission on World Service and Finance presented its final report on the Special Projects covering the items under discussion in the session. H. G. White, for the Commission, presented the detailed report as follows:

"We recommend:

1. That the Annual Conference approve a goal of one million, two hundred and fifty thousand dollars ($1,250,000.00) for the financing of the Special Projects within the bounds of the Conference.
2. and, that this amount be divided and distributed on the following basis:

Methodist Home for the Aged	$750,000.00
Church Extension in the Conference	450,000.00
Campaign Expenses	50,000.00

3. provided, that this money be raised without apportionment of any assessment based upon membership or the pastor's salary; through district goals and consecrated giving on the part of the local church;
4. and that the campaign be conducted by the American City Bureau under the authority of the Special Projects Committee, and before the next regular session of the Indiana Conference—
5. with the proviso that gifts may be designated to either or both of these causes, and undesignated gifts distributed "in equity."

RECOMMENDATIONS:

1. That the last two words "in equity" be interpreted to mean that undesignated funds be distributed so as to raise the total for each cause in the same ratio as $750,000 and $450,000 is to $1,200,000.00 "or 62½% and 37½%."

2. That the Indiana Conference Building Program funds for Church Extension, be used for the establishment of new churches for new congregations in new population growth areas, under the supervision of the Conference Board of Missions and Church Extension.

3. That the Conference Treasurer be Treasurer of the Indiana Conference Building Program and report all receipts under the column of Conference Advance Specials; that added secretarial help be authorized from Special Projects receipts and that all campaign expense be paid on authority of the Special Projects Committee; that all Receipts be described as follows:—

   1. First repay all funds borrowed from the Home for the Aged, and defray balance expenses of the Campaign.
   2. Credit designated funds to proper Boards drawing account, for use on proper requisition, as approved by Indiana Conference.
   3. Credit undesignated funds, according to established ratio.

4. That all decisions and acts of the Special Projects Committee to date, be hereby approved as the Acts of the Indiana Conference.

5. That the Conference continue the appointment of a Special Projects Committee.

JOHN A. HOADLEY, Chairman
SUMMER L. MARTIN, Secretary

(23) COMMITTEE ON THE STATE OF THE CHURCH

1. Commendation of the President of the United States:

Recognizing the Church as a moral and spiritual influence in the affairs of national importance, we heartily commend the President of the United States for his definite emphasis on the maintenance of an acceptable religious standard for effective government and service.

We further commend him for his affirmation of the policy of the separation of the Church and State by not appointing an Ambassador to the Vatican.

2. The Church and the Un-American Activities Investigations:

The freedom of the classroom and pulpit appears to be under the shadow of suspicion from some quarters of our society. We give full support to the opinion that any minister, any teacher in, or any official of, one of our schools, colleges, or churches should be perfectly willing to state whether or not he is, or ever has been, a member of the Communist party. If he is not willing to make such a statement, he should no longer be given the protection offered by the academic freedom which our schools champion and the freedom of our pulpits.

The Christian Church has traditionally endeavored to develop the social and economic systems of society in accordance with the teachings of Jesus in order to bring in the Kingdom of God. In line with this tradition, the Methodist Church has played a leading part in the stand against Materialism, Communism ,and other evils which would deter the achievement of this objective of the Church of Jesus Christ.

Therefore, we wholly reject certain current accusations of "Communist" or "fellow travelers of the Communist Party" which have been brought against leaders of our church. We specifically believe that Bishop G. Bromley Oxnam has been unjustly and falsely accused by certain members of the House Un-American Activities Committee.

We feel that the House Un-American Activities Committee or any such Congressional Organization has the right to investigate infractions of the law of our land and to determine what laws are necessary to protect the American way of life. However, because of the long standing tradition of the Separation of the Church and State, peculiar to the American way of life, we challenge the right of such a group to sit in judgment upon the traditional beliefs, doctrines, or workings of the Methodist Church. In this regard, we would call attention to the recent statement of the Council of Bishops of the Methodist Church in their vote of confidence to Bishop G. Bromley Oxnam:

> "The Christian Church in this critical era stands out as conspicious champion of human rights and dignities. Every attempt to undermine confidence in the church and its responsible leadership does injury to the cause of freedom and gives comfort to the enemy. We are dismayed and genuinely concerned that in a period when its witness is so sorely needed the Church has been persistently and falsely accused in many quarters and her world-wide leadership thereby jeopardized."

We abhor the indiscriminate accusations of Representative Donald L. Jackson upon the character and activities of Bishop Oxnam. These charges have been made upon the floor of the House of Representatives with the accusor enjoying Congressional immunity and the accused without the opportunity of defense.

We regret the apparent "scissors and paste" character of the files of the House Un-American Activities Committee. We resent the use of the files to assassinate the character of outstanding moral and spiritual leaders of our land. Information coming from these files has been disseminated by letters written upon the official stationery of this committee without regard to the establishment of truth.

We regret that the half truths and accusations gathered by the Committee have been magnified and unwisely channelled to the public by such organizations as the American Legion, the American Council of Churches, The American Medical Association and other organized groups. We call special attention to the editorial material of the "Washington Post" which clearly refutes the charges made. (This editorial material may be secured from Mr. Nelson Price, Public Relations Office, 305 Underwriters Building, Indianapolis 4, Indiana.) We recommend that this material be mailed by the Public Relations Office to all those listed upon the Hoosier Methodist Mailing List in the Indiana Conference.

We are cognizant of the emphasis on the Youth Program for the next quadrennium but such emphasis should be supplemented by the development of high Christian standards in our homes and in our schools. Since our Public School system plays such an important part in development of our children we insist that those who teach our children should be well qualified in accordance with the highest and best religious and spiritual standards.

We favor the encouragement of equal educational opportunities for all people, but we are opposed to any form of federal support which would involve federal domination or control. We recognize the circumstances wherein federal aid may be required but such aid should only be requested or given after all local resources have been considered and contributed.

4. The Church And Public Morals:

Gambling: We would favor the Hasbrook bill in its original intent and purpose but we abhor the amendment which permits Churches and Services groups to, continue any gambling practices. We support any efforts which are being made to eradicate the gambling evil.

Sunday Observance: With the increasing need for emphasis on church attendance and church loyalty we deeply regret the prevalent demands of larger Church units and secular organizations which persistently set Sunday dates for Conferences, Conventions and Assemblies. This practice is becoming a serious handicap to the local church. While we accept the challenge of the world as our parish, we urgently plead with all persons to give careful consideration to the demands of attendance of the local church Sunday services and activities. We urge all Methodists to cooperate with a movement sponsored by Christian business men to free stores and shops from the increasing practice of transacting business on the Sabbath.

6. A Commendation and An Appeal:

We commend the American Legion for sponsoring the "Back to God" movement and are grateful for the "Grace at Meal" cards which have been so widely distributed in the restaurants.

We trust that the sponsors of this movement and other allied movements will go the second mile in accepting the involved Christian responsibilities. These should include the following:

a. Regular attendance at Church services of worship and Church school classes.

b. Consistent support of the program of the Church.

c. Opposition to all unChristian practices of gambling.

d. Opposition to the encouragement of indulgence in intoxicating beverages.

e. A prayerful restraining from the dissemination of false standards under the guise of being loyally American without due consideration of the Christian principles of the brotherhood of all men.

J. Kenneth Forbes, Chairman
Chas. D. Patterson, Secretary

(24) WOMAN'S SOCIETY OF CHRISTIAN SERVICE

First, we Methodist women are church members, then members of the Woman's Society of Christian Service. For each line of work in the Woman's Society, there is a corresponding department in the church, where each woman may find her place of service.

The Indiana Conference Woman's Society of Christian Service is one of 106 conference societies in the Woman's Division of Christian Service, which is a vital part of the Methodist Church. The Wesleyan Service Guild, the church organization for gainfully employed women, is auxiliary to the Woman's Society. The word "auxiliary" is used to denote that the Guild reports to the Woman's Society, sends its money to the Woman's Division through the Woman's Society and has representation on the Woman's Society Executive Committee.

The marvelous advance during more than three quadrenniums has been possible only because of the loyalty, devotion, consecrated work and splendid cooperation of thousands of women in local Woman's Societies and Guilds. They have given hours and hours of volunteer service. Last year, when new goals were presented (spiritual growth—widening fellowship—a world church—peace, missions—discipleship) Mrs. Frank Brooks, President of the Woman's Division of Christian Service, said: "Into this troubled, uneasy, secular, divided world Methodist women are daring to seek to carry out in their churches, during the next four years, a six point program 'that the Kingdom of God may be realized'."

We are very grateful for increases in all lines of work. Since fourth quarterly and annual reports for the year 1952-1953 cannot be compiled till June 1st, the following facts are based on nine months reporting by conference, district and local society officers. Indiana Conference is the only conference in N. C. Jurisdiction to maintain 100% reporting for more than three years.

Purpose—"to develop spiritual life"—Spiritual growth, our first goal, makes possible all other objectives, for spiritual life undergirds each phase of our work. The church's emphasis on Evangelism, this year, has been presented in all district and conference meetings. The great concern for personal evangelism is quite evident in the increases in the number of prayer groups, members in the Fellowship of Intercessors and in many more Bible and Stewardship study groups.

Purpose—"to unite all the women of the church in Christian living and service"—**Goal, Widening fellowship.** Number of societies 487, number of Wesleyan Service Guilds 64, number of unorganized churches 52, number of unorganized circuits 22, Districts organized 100%—Indianapolis,, Rushville and Vincennes, new members of the Woman's Society 1531—new members of the Guild—227—total membership of the **Woman's Society 27,034,** total membership of the **Guild 1863**—total adult membership **28,897.** Total number of new members in three years and nine months—District members 69 —100% societies (all women church members also members of the Woman's Society) 49.

Purpose—"to study the needs of the world"—Goal, Missions Number of **Reading Course."** "Certificates of Merit" issued 339, increase 61. Number of subscribers to the Methodist Woman 5098, increase 1091. Amount of **literature sales** June 1, 1952—May 11, 1953, $2398.63, increase $798.44 **Missionary Education** through **programs**—large increase in number of societies using the program material and presenting World Federation of Methodist Women. **Missionary Education (children** love to learn of children in other lands) Additional Sessions 164, increase 13. **Missionary Education—Youth,** Increasing interest in missionary projects and World Friendship Groups. **School** of **Missions** and Christian Service—Total program of the Woman's Society presented—Approved Study Classes taught by prominent leaders—largest attendance both full-time registrants (162) and Guest Day (197). 33 1/3% increase in number of Study Classes receiving Jurisdiction recognition. Large increase in number of Approved Study Classes. Two delegates attended "Missions at Mid-Century" Conference at Buck Hill Falls, in April.

Purpose—"to help **develop** and **support Christian work** among women and children around the world"—**Goal, Missions** and a **World Church. Nine** missionaries and deaconesses and one I-3 have been supported by the seven districts and the conference. **Conference pledge**—Woman's Society $100,500.00—Wesleyan Service Guild pledge, $8,000.00—Total pledge **$108,500.00,** an increase of $5000.00. Annual Report of treasurer conpiled May 1, 1953. The entire pledge has been paid, with total credit on pledge $110,579.59. **Total amount** sent to the Woman's Division on **Appropriations** $116,773.72 (including Supply Work $9818.96—Children's Supply Work $888.61, increase $443.02—Children's **Service Fund** $1309.93, increase $336.98—Youth Fund (½ of which is sent to projects of the Woman's Division)—Week of **Prayer** and Self Denial and Supplementary Gifts). In addition a **"Love Gift"** (from individual members in local societies) of more than $1500.00 was presented to the conference president, April 16th, designated for missionary **projects** of her choice. It will be divided equally between Home and Foreign work.

Purpose—"to take part in such **service activities** as will stregthen the **local church,** improve **civic, community** and **world** conditions—**Goal, peace,** a **World Church.** Christian Social Relations and Local Church Activities Committee is responsible for assisting the pastor in the local church and for cooperating with community, national and world organizations that twice as much money is spent in local churches as is sent to the mission fields. The exact amount in Indiana Conference has not yet been reported.

There was an excellent response to the **National Citizens' Roll Call** in the 1952 presidential election. Some societies reported 100% voting. Many **letter** were written to political representatives about bills of interest to Christian people. An outstanding event was a **Seminar** on **State** and **Local Government,** February 3, 4, at Indianapolis. Significiant action of the conference society was the ratification of **"A Charter of Racial Policy,"** April 16th. This is the first step in showing a Christian's behavior to his brother man.

Great Concern, Recruits—The greatest need in missionary **work** in the church and in the Woman's Society is more full-time Christian **workers.** Youth and students must receive missionary education: be given **a** chance to know our enthusiastic missionaries and deaconesses: be challenged to real adventure by serving in a place of great need, doing the type of work of their choice. Five girls, in four colleges, are using the Indiana Conference Scholarship Fund. Four girls, financing their own college course, are interested in full-time Christian service. But hundreds are needed. Books and money gifts have been donated to libraries at Methodist centers or Wesley Foundations. Women in the Woman's Society are ready to cooperate in the new church Committee on Christian Vocations. Men and women of the church need to plan and work together to find these recruits.

More and more emphasis is being placed on Leadership Training. The Conference Leadership Training Day, May 6th, had a record attendance of 141. Each district also had a Leadership Training Day and it is hoped that each society will do so.

This spring the conference began a systematic plan of itinerating missionaries or helpful Woman's Society leaders in local societies. This personal contact will mean much to the individual members.

The conference slogan, "Each one take one" and the splendid promotion by district presidents and their group leaders, also all conference, district, local society officers, and members has resulted in a very large increase in attendance at all types of meetings—local, group, district and conference.

Another objective reached—a central place for Annual Meeting, more accessible to all members, less time for travel, adequate accomodations—the Indiana University Auditorium has met these needs.

Appreciation and gratitude for the splendid cooperation of Bishop and Mrs. Raines, all District Superintendents and their wives, of (all ministers and their wives) each officer and member who has made this report a reality. With thanksgiving and praise we rejoice in opportunities for service in our great Methodist Church, the Woman's Society of Christian Service and the Wesleyan Service Guild.

Mrs. Oscar E. Tharp
Conference President

(25) COMMITTEE ON WORLD PEACE

It may be that the churches were called into being for such a day as this in the international affairs of God's children. Certainly world peace is impossible without moral and spiritual foundations in the development of which the Church of Jesus Christ in all its branches has primary responsibility. It is for the Church to keep constantly before the world the inescapable fact that war as a means of adjusting disputes between nations is outmoded and in its present horrible form a threat to the very existence of mankind upon the earth. The Church must lead the way in the development of an inclusive fellowship which transcends national boundaries and in applying to world problems those curative and creative forces which give hope of peace.

At this time it is the responsibility of the churches and of the Christians to draw attention to such matters as the following:

1. The necessity for keeping ever open the door for negotiation of peaceful solutions to international disputes although recognizing frankly the grave difficulties involved.
2. The need for more complete understanding and support of the United Nations as the only world forum and political organization now available as a meeting place of the nations.
3. The Christian conviction that no nation is immune to the transforming power of God's love when released through faithful men and that all people however perverse are sons of God and precious in His sight.
4. The obligation of Christians to provide spiritual preparation for those economic sacrifices which will undoubtedly accompany any sharp reduction in the manufacture of military supplies and the establishment of free flowing trade among nations in place of the international dole system which now stimulates artificially world commercial relations.
5. The challenge of under-developed areas of the world which call for the unselfish help of the United States and the United Nations to overcome poverty, illiteracy, and disease. It is particularly important that through Christian missions and other privately supported efforts there shall be opportunity for citizens of the United States to work with and to help directly citizens of other countries now endeavoring to take their places as self supporting and self respecting members of the human family.
6. The urgent imperative for universal guaranteed disarmament.

In meeting these responsibilities we recommend the following actions to the churches of the Indiana Conference:

1. Continued opposition to universal military training and to the "peace by force" philosophy in international relations.
2. Support of United States and United Nations policies which encourage self-help in the underdeveloped nations, the free flow of world trade, the attainment of universal guaranteed disarmament, and the humane resettlement of refugees and displaced persons.
3. Maintenance of close fellowship with young people from the churches serving in the armed forces and with those young men who have taken their stand as conscientious objectors to war. We commend those Methodist institutions as agencies which are employing men classified as conscientious objectors in keeping with provisions of the Selective Service Act. We urge ministers to secure from the Board of World Peace of The Methodist Church materials regarding conscientious objection to war and cards for the registration of conscientious objectors.
4. The development among church youth of a sense of Christian vocation in diplomacy and international commercial enterprises privately financed.
5. The establishment in churches of committee on world peace in accordance with P 246 and P 1552 of the Discipline or assignment to other committees or committees of the responsibility for fostering study of the pronouncements of the General Conference on international affairs (Discipline P 2026) the statements and materials of the Board of World Peace, and the work of the United Nations and other world-wide efforts to unite men and nations.

We again request, as in the 1952 report, that the Conference instruct each district superintendent to plan a World Relations Institute in his district, and that each district board of education shall give consideration to the study of world peace in planning its program. We further recommend that the Conference Board of Education include a course on the Church and War and Peace in the curriculum of the 1954 senior institute at Rivervale. Through these institutes and other educational activities developed in cooperation with the national Board of World Peace, it is hoped to train in every local church leaderships for the vital task of leading Christian people to assume responsibility for Christian witness and action in the area of world relationships.

(I) MISCELLANEOUS

(1) CONFERENCE CORPORATION

(a) TRUSTEES ANNUAL REPORT

Mr. President and members of the Corporation:

No body of persons vested with the care of corporate matters, held in trust or otherwise, finds time to forget its responsibilities. Charged with matters of vital importance to the Conference, involving both legal and ecclesiastical attention, your Trustees have worked another year toward clearing up and organizing these matters entrusted to us, and following the provisions of the Discipline we make this report to you for the best interests of the parent body, conscious of an honest effort to be 'good stewards' of our work and responsibilities.

Discussing routine matters first, officers elected at the first meeting of the Conference year, held in July of 1952, were President of the Corporation, H. O. Kisner; Vice President of the Corporation, F. T. Johnson; Secretary, N. I. Schoolfield. F. R. Greer was elected by the Trustees as Chairman. These officers have served the Corporation in the interim.

A. ADMINISTRATIVE RECOMMENDATIONS

1. That a statement from every Methodist Church in the Indiana Annual Conference be given the Corporation Trustees, in which is given the page, volume and place in which deeds to all Church properties is recorded and may be found; and that the District Board of Church Location and Building (Par. 704 sec. 3) be empowered to compile such statements, in cooperation with the District Superintendents of the districts.

2. We desire to reemphasize by restatement the action of this Corporation in its report for 1952 (Item No. 1, page 194 of the Conference Minutes):—"That a careful record be made of all abandoned Church property which is under the direction of the Corporation Trustees, and that the record be filed with the Secretary of the Corporation, and deposited in the proper depository."

3. We recommend that in our action of last year (152) in our report, Item c Sec. 4, page 194, Conference Minutes 1952 which reads: "All its books shall be audited annually by a certified public accountant in writing to the Conference Corporation Trustees and printed in the Annual Conference Minutes"; we delete the word 'certified.'

4. That the President and the Secretary of the Corporation be authorized to sign a quit claim deed to the Sunshine Gardens property in Indianapolis, Indiana, to the Pilgrim Holiness Church, and all other legal documents necessary.

5. That in the sale of abandoned Church property, the District Superintendent send the money from the sale to the Corporation Treasurer who in turn will send a receipt for the same to the Secretary of the Corporation and the District Superintendent for the money which will be held until disposition is asked for and granted.

B. ABANDONED CHURCH PROPERTIES

The Trustees after hearing the proper evidence from the District Superintendents recommended the following dispositions regarding such properties.

Bloomington District. The Cataract Church having been removed from its old site and used in the construction of a new church building, and its furnishings sold, the money to be given to the Shilo Church in the Bloomington District, the Cloverdale Charge having held the $212:—Cloverdale Charge is requested to turn over to the District Superintendent and the money to be used for work on the Shilo Church. The Shilo Church is declared abandoned. In the event the **Emminence Church** is not reopened for Services, a $2,000 legacy which it has received will be turned over to the Corporation Trustees until a directive for its disposition as asked for and made.

Evansville District. Alexandria and Oak Grove Church Buildings on the former Rockport Parish are declared abandoned to be sold and removed from the premises; and any portion of the furnishings of said Churches to be used by the Patronville Methodist Church, proceeds of the sale to go to the Patronville Methodist Church.

The Two Lots at the corner of Evans and Negley Avenues in Evansville, Indiana, are ordered sold by the Corporation Trustees, the proceeds to be used as a part payment on the purchase price of a site for a new Methodist Church in the Evansville District.

The Greathouse Church in Point Township, Posey Co., Indiana, is declared abandoned, to be sold, providing that the building be removed from the premises, the lot sold separately and the proceeds of all to go to the Mount Vernon South Parish.

Columbus District. Centerville Church is ordered sold and the cemetery adjoining it attached to some other Church in the District which is then responsible for the cemetery property.

Lancaster Church in Jennings Co., Ind., to be sold,, the proceeds to be used within the bounds of the Columbus District and the District Superintendent authorized to sign all necessary and proper papers.

New Albany District. Disposition of the proceeds from the sale of **The Birdseye Church** (Abandoned and sold) to be made through the Corporation Treasurer, thence to be used for extension work within the District.

Vincennes District. Union Church is declared abandoned and the proceeds from its sale to be used within the Vincennes District.

C. THE CORA CARMICHAEL FARM

In Brown Co. Indiana, was ordered sold by the Corporation Trustees. The sale is in process of consumation to Mr. and Mrs. Paul Wilkerson, RFD No. 6, Columbus, Indiana. Abstract of title, insurance for our term of responsibility, and delinquent taxes have all been cared for by the Trustees. Deed will be executed and sale completed in the near future.

D. **THE DANIEL SHERA MEMORIAL FUND.** Miss Myrta Shera of College Corner, Ohio, gave $5,000 for the Daniel Shera Memorial Fund and the same has been invested in Government bonds.

E. **EPISCOPAL RESIDENCE.** This important matter is being cared for, by most efficient Area Committee on Episcopal Residence, at the request of the Indiana Annual Conference Corporation Trustees. The need for and site for such a residence was thoroughly investigated and decision made to build rather than to buy, seeing that cost of conversion would almost equal or go beyond a new building. The Trustees have authorized the Committee (Area) to borrow $6,500 for the purpose of purchasing a lot on North Illinois St., Indianapolis, Indiana, and construction has begun with a view to occupancy around the beginning of the new year.

The Corporation Trustees authorize the President and Secretary of the Corporation to sign an affidavit authorizing the sale of the present Episcopal residence on North Pennsylvania St.

The Trustees authorize the President and Secretary to sign the Builders Contract for said Episcopal Residence (new) after the proper corrections have been made in its working.

F. APPRECIATIONS

To Attorney Francis M. Hughes who has given such long and fine service to this Corporation in so many ways, with a recommendation that an honorarium of $100 be given him in recognition and appreciation of that service.

To the Area Committee on Episcopal Residence under the Leadership of Dr. S. L. Martin, which at our request has worked tirelessly on this matter of securing the proper housing for our Bishop and his family.

G. NOMINATIONS

We recommend that the following Trustees be elected to serve until 1956.

Carl Allinger
Chas. R. Holmes
Francis M. Hughes

Respectfully submitted.
Frank R. Greer,
President, Corporation Trustees.

(b) EXECUTIVE SECRETARY OF THE PREACHERS' AID SOCIETY

Annual Report — (As of April 30, 1953)

Mr. Chairman, Members of the Annual Conference and Friends:—

1. Responsibility of the Church

The responsibility for providing adequate care for our retired ministers and the widows of ministers belongs clearly and definitely to the Church. One of the foundation stones of our American democracy has been the "separation of church and state." In order to protect this principle social security for the minister should be and is the responsibility of the CHURCH and not of the GOVERNMENT.

The Indiana Conference has taken this responsibility seriously and is working at this task in two different ways.

In the first place we are building for the future by trying to bring to completion the Reserve Pension Program which gives its major benefits to the younger men, the NEW ENTRANTS. This is being done gradually by means of an apportionment to our churches of an amount equal to 5% of the pastor's cash salary. We are having a fine response to this program and our churches this Conference year have paid in a total of $45,513 to this program. Our people should bear in mind that the new entrants themselves pay to the office of our Board of Pensions in Chicago an amount equal to 3% of the average salary of the Conference which is credited to their own personal pension account.

In the second place we are trying to gradually improve the annuity rate for that long list of retired ministers and widows who are right now our responsibility. In order to do this we must have in addition to our regular 14% apportionment for Conference Claimants and our other regular sources of income special gifts to the invested funds of the Preachers' Aid Society.

2. The Needs of Our Retired Folk

When a minister is granted the retired relation he and his wife no longer have a parsonage and a congregation. They face greater likelihood of sickness and hospitalization. Our active ministers and their dependents are cared for by our group hospitalization insurance, but the hospitalization benefits cease upon retirement. Our Methodist hospital is most generous and considerate of our retired folk and this we deeply appreciate. The retired minister and his wife and the widows of ministers find it very difficult to secure the necessities of life and make ends meet on a very inadequate income. The average pension of the retired minister in the Indiana Conference at the present time is $1157 a year and the average for the widows is $589.

As Secretary of the Preachers' Aid Society I believe I am in a position to know the needs of our retired people and also to know how deeply they appreciate what the Conference does for them. May I quote from a few of the letters received during the year.

One of our fine ministers who gave 45 years of service writes: "I thank you for remembering me with the birthday card. I appreciate your sending the checks so promptly and the Conference making all this possible. In these days when living is so high what a blessing it is to us to receive such help."

The widow of one of our ministers writes to say: "The thought and consideration of our fine ministers in the Indiana Conference of all of us who are now receiving their financial aid means more than I can express to you."

Another widow who lost her husband this year wrote in and said: "Many thanks for the annuity checks. They were a great help to me in my sorrow. It is a great consolation to know I have some income."

A fine minister who gave 50 years of service to our Conference says, "I am very grateful to the Preachers' Aid Society. We feel our checks are due us though their receipt always makes me feel very humble and grateful."

Such expressions could be multiplied many fold.

3. A Wonderful Group

What a wonderful group these retired people are! When we consider the many years of consecrated service they gave to Christ and the Church we know that we can never really repay the debt we owe them.

The 96 men now on the retired rolls of the Indiana Conference gave an aggregate of 3,315 years of service. 80 of these ministers report a total of 35,986 baptisms; 60,318 received into church membership; 23,640 couples united in marriage; 34,788 funerals conducted; and 85 churches and 36 parsonages erected.

The fine laymen and ministers who compose the Board of Control of our Preachers' Aid Society feel that the ministers and their wives who served so faithfully and in many cases sacrifically should not face embarrassment in their years of retirement. They should have an adequate pension. In no case should it be a dole grudgingly given, but rather a real annuity which each one of them has earned and which goes to them in a spirit of honor and esteem. To quote a Scripture verse, "we esteem them very highly for their work's sake." They have earned the right to have their declining years, the years of failing physical health, free from worry and anxiety about the necessities of life.

4. Ways Our Laymen Can Help

Since it would be unwise to increase the apportionments to the churches for our pension work, if we are to continue to do better for the 96 ministers and the 93 widows and a few dependent children now on our responsibility lists, we must depend upon our faithful and interested laymen who are willing to make special gifts to the invested funds of the Preachers' Aid Society, such gifts to be "over and above" apportionments and "over and above" our regular sources of income.

There are a number of ways in which our laymen can help this cause. They can put the Preachers' Aid Society in their wills. They can take out life annuity bonds. Such bonds pay a good income as long as they live and they can have the satisfaction of knowing that after their death their money will continue to do good for this cause. They can make estate notes payable to the Preachers' Aid Society upon their death. They can make memorial cash gifts honoring ministers who have meant a great deal to them in their own lives.

7. Retired Ministers Day

By action of the 1952 General Conference Veterans' Day now becomes Retired Ministers Day. The Annual Conference, on recommendation of the Board of Conference Claimants or kindred organizations, must select the Sunday to be observed as Retired Ministers Day, and this day is in honor of the retired ministers, their wives, and the widows of ministers, and in recognition of the church's obligation for their support.

The Executive Secretaries of the Preachers' Aid Societies of the three Conferences composing our Area continue to co-operate in preparing the materials for the use of pastors and churches in the observance of Retired Ministers Day. In our own Conference any offerings received on that day are applied toward the 5% apportionment for the Reserve Pension fund.

We would continue to urge pastors to use this day not only to honor our retired people, but also to challenge young men to dedicate themselves to the ministry.

One of the outstanding observances of this year was at First Church, Martinsville, where the pastor, Rev. John Wolf, had the joy of seeing two choice young people dedicate themselves to Christian service. A young man, Nick James, dedicated himself to the ministry, and a young lady, Martha Evans, dedicated herself to the work of Christian education. The grave of Rev. William C. Smith was decorated by the pastor, assisted by these choice young people and Charles Foley and Dr. W. C. Hartinger.

8. Services Rendered by the Executive Secretary

In addition to many personal contacts with pastors, attorneys, and prospective donors, your Executive Secretary has spoken in 47 individual churches and at 13 district meetings during the year.

During the year we have sent out 1034 letters to prospective donors, and have distributed 2742 pieces of literature.

9. Appreciation

In closing this, my third annual report, I desire to express to the many pastors who have invited me into their pulpits, my sincere appreciation of their co-operation in giving me the opportunity to place before their congregations more detailed information concerning the pension program of the conference and the needs of our retired people. I also desire to thank the District Superintendents for the privilege of presenting this cause in the District Conferences, and the many laymen who have made so many "over and above" special gifts for this cause during the year. It is the co-operation and help of ministers and laity that makes it a joy to labor in this work.

Respectfully submitted,
W. C. PATRICK, Executive Secretary

MANSON E. BAKER

(Ralph O. Pearson)

A long day of life, full of glorious fellowships, and rich in ripened experience, came to its close in the sunset beauties of the evening, when, on April 24, 1953, Reverend Manson Edgar Baker fell asleep in a lovely nursing home near Indianapolis, to awaken in the Father's House above. Thus ended the record of 79 years of earth life.

He was born August 27, 1874 of humble but devout parents at Martinsburg, Washington County, Indiana. After grade school years, he accepted employment in the shops of the Monon Railroad in Lafayette and for nine years was the sole support of his widowed mother and a younger sister in the home.

Early in life he was converted and united with the Methodist Episcopal Church. In his church life he developed a desire to do more in christian service than he was prepared to do. Thereupon, he enrolled in DePauw University and after seven years of Academy and College work, he graduated with an A.B. degree.

In answer to God's call to further preparation for the christian ministry he entered Boston University School of Theology and in 1912 received the S.T.B. degree.

Having a fine tenor voice, he did much Evangelistic singing and while in School held student appointments and assisted in many revival meetings.

Returning to the Indiana Conference following school years, where he had previously supplied charges at Gosport and Blue Grass, he was assigned to the Beech Grove Church in Indianapolis.

Having met Miss Anna Morris, a gifted and well-trained Deaconess of the Methodist Church, they were united in marriage November 6, 1919. They will be remembered by their associates as firm believers in the efficacy of prayer and organized and maintained prayer groups in all their churches. Much of the support of their work in the local church was "prayed through" as they called it. They believed, preached and practiced tithing as Gods financial plan and always fostered and promoted the missionary causes.

This consecrated team served the following charges in the Indiana Conference: Rising Sun, Bellaire and Columbia Avenue in Indianapolis; Batesville, Flat Rock, Morris Street, Indianapolis; Ellettsville, Jasonville, Shoals and Newbern. Retirement was accepted in 1945, thus giving thirty-nine fruitful years to Christ and the Church.

The one great sorrow came in the passing of Mrs. Baker, while they were residing in VanNuys, California. Returning to Indianapolis, he made his home in this city. The last two years were spent in ill health, but he enjoyed the best of care as a patient in our Methodist Hospital and the nursing home near Bridgeport, Indiana.

Funeral services were conducted from the Blaine Avenue Methodist Church in Indianapolis, April 27, 1953, with Dr. Charles T. Alexander, Dr. W. C. Patrick, Rev. Millard Brittingham and Rev. Ralph O. Pearson in charge. The following day, the body was flown to California for burial in the cemetery at VanNuys, where rests the remains of his beloved companion. Last rites were conducted by the Rev. Claude Smith, pastor of the local Methodist church in that city.

JOHN H. FURRY

(J Edward Murr)

John Henry Furry was born on Feb. 4, 1864 and passed to his heavenly reward from the home of his daughter, Joyce Chenoweth at Shoals, Ind. on Jan. 30, 1953.

Brother Furry was admitted to the Indiana Conference in 1895, and after serving a number of charges, he was granted the retired relation in 1919.

Shortly after his entrance into the ministry, he was united in marriage with Miss Effie Hinkle in 1892. To this union were given three sons and two daughters. Brother Furry devoted his best energies to the Methodist ministry, where he sought no undue favoritism. He counted it a gracious favor of the Lord to be called to the holy office of a Methodist preacher. Throughout the years of his service he made a host of friends, both among the membership as well as among his brother ministers.

As he was so extremely devoted to the work to which he had been called, and had the constant encouragement and helpful ministrations of his devoted and faithful wife, he thus deeply realized that godliness with contentment makes for great gain.

Brother Furry was ever zealous in his ministerial labors and was never at any time given to any sort of a suggestion of a departure from the old paths. By reason of his deep devotion and that of his charming companion, the parsonage home became a splendid example and pattern of Christian living and devotion.

Brother Furry was from first to last a good and faithful minister of Jesus Christ. Although deprived of the companionship of wife, whose death occured in 1913, he lived with the fullest expectation of some day meeting her in the Sun Bright Clime. It was his fortune in the providence of God to enter his eighty-ninth year. Brother Furry was buried in the Westlawn cemetery near Farmersburg, Ind. District superintendent, Dr. A. M. Brown, assisted by numerous brother ministers, conducted the funeral which was held in the Farmersburg Methodist church.

WILLIAM CALVERT HARTINGER

(Hiram C. Weld)

William Calvert Hartinger was born March 26, 1875 at Middleport, Ohio and entered the realm of heaven Wednesday, June 3, 1953. His wife, Lulu May Hartinger, died October 3, 1952. He moved to St. Petersburg, Florida after her death, and made his home there until his death.

Dr. Hartinger attended Ohio Wesleyan University, Boston University School of Theology, and Drew Theological Seminary. He received his Doctor of Divinity degree from Wesleyan College, in West Virginia.

On May 1, 1900, he was ordained a minister of the Methodist Church, and was married the same day to Miss Lulu May White.

In 1930, Dr. Hartinger came to Indianapolis as minister to Broadway Methodist Church and in 1932 was appointed Superintendent of the Indianapolis District, which office he served for eight years. Following that, he was Chaplain and Field Secretary of the Methodist Hospital from 1947 to 1949. After a period of retirement, he became Associate Pastor of North Methodist Church, which pastorate he held until his illness made complete retirement necessary in 1950.

Before coming to Indiana, he served pastorates in West Virginia and Ohio, and was Superintendent of the Columbus, Ohio District.

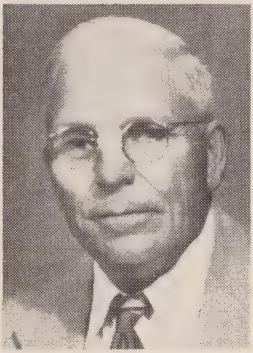
Dr. Hartinger served on many of the Church Boards. He was helpful as a speaker on numerous occasions. He was loved for his keen understanding and his warm smile. His devotion to his God, his church and his family and friends made him a well-loved and effective minister.

He is survived by one daughter, Mrs. Thomas D. Stevenson, of St. Petersburg, Florida.

A memorial service was conducted at the Schoedinger State Street Funeral Chapel, Columbus, Ohio, Saturday, June 6, 1953. Internment was in the Greenlawn Cemetery. His life continues to inspire those who remember him as a pastor and friend.

CHAUNCEY O. MORIN

(E. E. Aldrich)



Chauncey Owen Morin, son of James M. and Annie E. Morin was born near Graysville, Indiana, August 31, 1881. He surrendered his spirit to his Heavenly Father at his home in Shelburn, Indiana on January 30th, 1953.

He was united in marriage to Nellie B. Hancock on July 30th, 1907. A little son, Victor Edison, was born to this union and after a brief time of one and one half years was called back to God.

The funeral services for Brother Morin were held in the Graysville Methodist Church directed by his pastor. Rev. A. L. Beatty, minister of the Shelburn Methodist Church, assisted by Dr. A. M. Brown, District Superintendent, Dr. Harry O. Kisner and Rev. E. A. Dawson, intimate friends of Rev. Morin. His body was laid to rest in the Union Cemetery, Graysville, beside the body of his little son.

Brother Morin was converted at the age of seventeen, and immediately felt the call to the ministry. He later graduated from the Moores Hill High School and took a business course in Terre Haute, Indiana. While in Terre Haute he accepted the position as foreman in a glass factory where he worked for some time. When he was thirty one years of age he answered the call of his Master and entered into the Christian ministry. For nine years he served as a full time local preacher, and then in 1923 was admitted on trial into the Indiana Annual Conference, and was appointed as pastor of the North Methodist Church, Vincennes, Indiana. In two years he was admitted into full membership of the Annual Conference and served effectively until his retirement in 1946. After his retirement he served a goodly pastorate at Clay City Indiana. Finally "retiring" the second time, he purchased a home in Shelburn where he spent the remaining years of his life.

The Churches where he served as minister in the Methodist Church will long remember the wonderful Christ-like spirit which he exemplified as he worked among the people. There were two things which characterized the life of Chauncy Morin. One was his ever deepening desire to love Christ with all the powers of his being, and the other was to be a real minister and brother to all the people over whom he had been given supervision. All over southern Indiana today there are those who this day walk the Kings Highway, because this Man of God walked through their hearts.

ALBERT HURLSTONE RUMBLEY

(J. Edward Murr)

Albert Hurlstone Rumbley was born near Corydon, Indiana, December 26th, 1892 and died at Georgetown, Indiana, June 9th, 1953.

Brother Rumbley was the son of Rev. N. M. Rumbley, who served as a minister in the church faithfully and well for an extended period. Albert was admitted to the Indiana Methodist Conference in 1918 and after thirty-three years of faithful service he was granted retirement, due to failing health.

Appropriate funeral services were conducted in the Corydon Methodist Church by Brothers, J. H. Harell, C. V. McMillan and Howard Rogers, burial was in the historic Cedar Hill Cemetery at Corydon.

Rev. Rumbley was united in marriage to Miss Fay Etta Pinaire on August 17th, 1917. To this union were a son and two daughters. This son, George Rumbley, entered the Methodist Ministry and at present he is serving as a Chaplain in the Army in Korea. One daughter Mrs. Willa Peters resides at Barborville, Kentucky and Mrs. Dorothy Goldman dwells at Georgetown, Indiana.

Brother Rumbley spent some two years in Moores Hill College and completed his Collegiate training at Taylor University.

It is a noteworthy fact that Brother Rumbley was well born and not only blest with a childhood home freighted with an atmosphere of prayer, but was happily privileged to spend his boyhood and young manhood in the midst of a community of widely known devout members of the church.

After reaching young manhood, with the enviable heritage of a devout home, as well as the atmosphere of deep religious devotion that characterized Moores Hill and Taylor University, there is small wonder that he ever remained a devout follower of the Lord. His entrance into the Methodist Ministry—was thus along the lines of Divine cleavage. Having been united in marriage to a devout lady who possessed the many fine qualities well calculated to make for ready and cheerful cooperation they thus served the Lord's Church well for a third of a century.

Brother Rumbley's Ministerial labors were such that greatly endeared him to the many parishioners. Now that he has finished his earthly course and entered upon the fulfillment of the promise of becoming an inhabitant of that heavenly land—where partings and separation shall be no more. Thus the memory of him by the many whom he served will in consequence longingly await a reunion in the sweet by and by.

GEORGE M. SMITH

(Summer L. Martin)

George M. Smith was born in Manchester, Indiana on December 12, 1861. The son of George Smith, who was born in Louisiana in 1815, and Elizabeth Martin, who was born in Dearborn County, Indiana in 1830.

George M. Smith was educated in the Dearborn County Public Schools and received his college education at Moores Hill College, awarding him A.M. and D.D. degrees

He taught in the public schools of Dearborn and Ripley Counties for five years and received Local Preacher's License at the Moores Hill Quarterly Conference in 1887. He was appointed to supply pastorates at Jonesville Circuit in September, 1888 and was united in marriage to Etta M. Bigney of Moores Hill on June 10, 1889.

He served his entire period of his ministery in Central and Southern Indiana as pastor, District Superintendent and Superintendent of Methodist Hospital. A lovely daughter, Iva was adopted while at Charlestown. She was educated at DePauw University and is now the wife of Mr. Fred L. O'Hair of Greencastle. One son, Combie Smith, who attended Ohio Wesleyan University and resides in Indianapolis, Indiana.

One of the outstanding contributions of Dr. Smith to the Kingdom of God, was his part of establishing the Methodist Hospital of Indianapolis.

In 1899, the Epworth League held a national meeting in Roberts Park Methodist Church. From this meeting there was a surplus of a few hundred dollars and a resolution was passed to use it for the establishment of a Methodist Hospital. The Ministerial Association of the Indianapolis District met, passed the resolution that they undertake the building of a $1,000,000 hospital. This was concurred in by everyone in this city and was presented to the session of the Indiana Annual Conference at its next meeting. The resolution was adopted.

George Smith will be known in the future, not so much by the churches he served but by the part he had in establishing this great institution which will stand as a memorial to the foresight and the benevolence of the people called Methodists in the State of Indiana.

Funeral services were held for George M. Smith at Flanner & Buchanan Morturary on October 1, 1952. Dr. Summer L. Martin was in charge, assisted by Dr. Amos L. Boren and Dr. C. T. Alexander, Superintendent of the Indianapolis District. He was buried in the family lot at Manchester, Indiana near Aurora in Dearborn County, Indiana.

ALBERT J. SPAULDING

(Joseph G. Moore)

Albert J. Spaulding was born September 5, 1886, in Talladega, Alabama. On October 31, 1952, in the Methodist Hospital, in Indianapolis, he entered upon the life with God for which his soul had been made ready through more than forty years of faithful ministry in the Church of Jesus Christ, his Lord and Master.

He was married to Mabel A. Hampton, January 3, 1909. Four children were born to this union, two of whom died in infancy. Mrs. Floy A. Baker, of Indianapolis, and Dr. Earl M. Spaulding, of Pensacola, Florida, survive their father. Their mother passed away October 3, 1923. Three grandchildren, Mabel Eileen Baker, Everett Earl Baker and Earl Milton Spaulding, Jr., mourn the departure of their beloved grandfather. A sister, Mrs. C. P. Maas, of Van Wert, Ohio, also survives.

On September 23, 1926, he was married to Edith Hague, and together they wrought a great ministry in the Indiana Conference. He organized the Indianapolis Goodwill Industries and gave faithful service in the following Charges: Clarksville and Wesley Chapel, Jeffersonville; Prairieton; Farmersburg; West Newton; Whiteland; Broad Ripple, Indpls.; East Park, Indpls.; Fletcher Place, Indpls.; Main Street, New Albany; West Street, Shelbyville; Barth Place, Indpls., of which he was pastor at the time of his death. Of him it may be truly said—"He that shall endure unto the end, the same shall be saved."

Should anyone ask how long I had known our dear friend, A.J., I should answer all my ministerial life; for we were admitted to the Indiana Conference together in 1911. Our happy friendship was shared by all who knew him. His buoyant step, alert mind, happy smile and self dependence made him a welcome companion always. The more than ninety ministerial brethren, who assembled in his own Barth Place Church for the funeral rites, may have wondered if the "Grim Reaper" had made a mistake in taking so good and useful life from our ranks.

To the very end of his life he rendered Christian service. After the ravages of cancer had taken his vocal cords he continued to preach "the Word" with the aid of an artificial larynx. He was an inspiration to many similiar victims of this disease. Indeed he ministered from his hospital bed during his last illness. And who dare say that his ministry is ended even yet.

Funeral services were held in Barth Place Church, Indianapolis, Monday afternoon, November third. Brothers Alexander, Martin, Pearson and Garrison were in charge. All ministerial brethern present, including Bishop Titus Lowe, sang "Beloved, Beloved, we are the sons of God." The body was laid to rest in Crown Hill Cemetery, Indianapolis.

MRS. WILLIAM CALVERT HARTINGER

(Gerald L. Clapsaddle)

Lulu May White Hartinger, daughter of The Reverend and Mrs. Thomas Bruce White (member of the Ohio Conference of the Methodist Church) was born in Ohio May 23, 1875, and finished her sojourn, when on October 3, 1952 at the Methodist Hospital in Indianapolis she turned her feet in at the Father's gate and moved out of a pain filled body to that "house not made with hands." She was educated in the public schools of Ohio and at Dennison University, Granville, Ohio.

On May 1, 1900 she was married to The Reverend William C Hartinger, and to this union were born two daughters, Mildred May, deceased, and Mrs. Thomas D. Stevenson, St. Petersburg, Florida. Mrs. Hartinger is also survived by her husband, Dr. William C. Hartinger, who now lives in St. Petersburg.

Mrs. Hartinger was vitally interested in all church activities and with her husband she served cheerfully and joyously in some of our great churches in Ohio, West Virginia, and Indiana across the years of their distinguished ministry. She taught Sunday School Classes, organized Youth Activities, sang in the choir, substituted at the piano and organ when necessary and diplomatically played her part as a good ministers wife. She helped organize the White Cross Guilds at White Cross Hospital Columbus, Ohio, and at the Methodist Hospital Indianapolis and served as president of both organizations. She also found time to be active in Music, Garden, and Literary Clubs in every community in which she lived.

Mrs. Hartinger was devoted to her Church, her family, and her God. She was a gracious, and understanding person, and she was always a lady. She gave herself with a magnificent abandon to her family and to others who needed her. She was a strong hand to others in the dark; she was a cup of strength to souls in distress. She knew the glory of life at its best. She wrote her name with deeds of love, mercy, and kindness on the hearts of those who knew her best, and she will never be forgotten.

A service of love and memory for her was conducted at Flanner and Buchanan Mortuary in Indianapolis on October 4, 1952 by Bishop Titus Lowe, Dr. Charles T. Alexander, and Dr. Gerald L. Clapsaddle. Interment was in the Greenlawn Cemetery Columbus, Ohio.

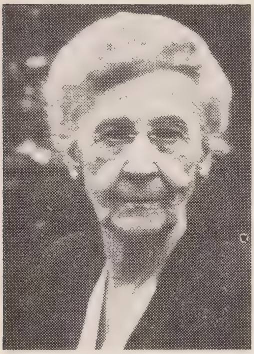
She was also active in the Moores Hill Woman's club.

She passed away June 7, 1953 at the age of 78 years.

Funeral services were conducted at the Ulrich and Sibbet Funeral Home by her former pastor, Rev. L. W. Morlen of Taylorsville, assisted by the present pastor Rev. E. M. Rosier. Burial was in Moores Hill Cemetery.

MRS. CATHERINE WOODS

(Dr. Charles S. Woods)



Mrs. Catherine Merritt Woods, age 94, the widow of Reverend W. D. Woods, died at Indianapolis on Sunday, May 24, 1953. Mrs. Woods was born Catherine Merritt, daughter of Charles and Martha Morelock Merritt of Waldron, Missouri, on November 19, 1858. She married William David Woods June 10, 1875. She was devoted to her husband and shared fully the labors and joys of his ministry.

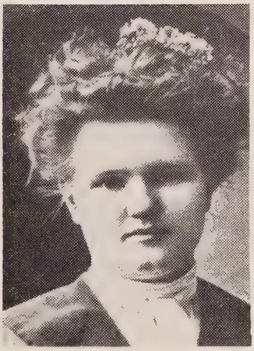
To the children in the home, she was ever blessed . . . to them, in their maturity, she was great.

MRS. MARY GRACE ICE

(H. A. Sprague)



Mary Grace Ely was born November 1st, 1886, the daughter of M. H. and Florence M. (Woodward) Ely, and grew up in Southern Indiana in the atmosphere of Godliness and Home-worship, accepting the Lord Jesus Christ as her personal Saviour early in her life and continuing in this faith until at last that faith became sight in the Land of Endless Day, when her eyes closed on the things of earth, as she greeted the glories of Life Eternal in the evening of the Easter Day, April 5th, 1953 at the age of 66 years.

On September 10th, 1905, Mary Grace was united in marriage with Lewis H. Ice, then a student in DePauw University preparing for the ministry of the Methodist Church. She entered into the sacrifices and the self-denials of a ministerial student and shared with her husband all that exacted of them during those years of preparation and throughout the years of active service in the following Charges, Francisco, Lynnville, Blue Grass, and Clay City, all in the Indiana Conference; and transferring to the North Indiana Conference, they served, Andrews, Farmland, Pennville, Knightstown, and Upland; then in the Northwest Indiana Conference, serving Monon, before returning to the Indiana Conference where they served, Orleans, Ft. Branch, Shoals, Shelburn, Centerpoint, and Cannelton, retiring in 1951 and moving to their Country Place near Rockport, Indiana.

For more than a year, Mrs. Ice had suffered intensely and although she submitted to major surgery, and long periods of hospitalization, and was given every possible care and attention by her husband, her sons and her many friends, death proved to be the only means of relief from pain, and so she fell on sleep, her work well done; the victory won in Christ, and Heaven gained.

Besides her husband, she leaves two sons, Lewis Melvin of Stratford, Conn., a member of the faculty of the University of Bridgeport; Hartzell, of French Lick, Indiana, a co-owner of the Indiana Plymould Corporation; three grandchildren, step mother, Ida Ely of Evansville, five sisters and three brothers. One son, Byron preceded her in death in 1916, and her body was laid to rest beside the grave of that little child, in the beautiful cemetery of the McCutchanville Church, where services were held on Wednesday, April 8th, after brief services in the Boultinghouse Funeral Home in Rockport, with Rev. C. E. Gilbreath in charge. At the services in the McCutchanville Church, the pastor, Rev. G. H. Kaetzel, presided, prayer was offered by H. M. Wooldridge, pastor at Dale, and the memorial was given by Horace A. Sprague, pastor of Central Church in Evansville. Music was given by Miss Grace McCutchan, the organist of the Church.

She had been in failing health almost two years at the home of her parents in Bloomington.

She was a graduate of the Smithville High School and attended Indiana University. When but a child she heard the call of the Master and yielded her life and talents to Him and became a member of the Smithville Christian Church. Since her marriage to Rev. Thomas G. Scott on October 29, 1933 at Patricksburg, Ind., she has been affiliated with the Methodist Church. She entered into the work of the young people's organizations and throughout her life maintained a deep interest in the youth of the community of the churches which she and her husband served; Namely, Patricksburg, Newberry, Worthington, Brookville, and French Lick in Indiana, and Lemont, Illinois.

She was a member of the Order of the Eastern Star, Tri Kappa Organization, and the P.E.O. Sisterhood. Her abilities were many. She was a poetess and has left some very choice poems, entitles, "Sunshine In The Heart."

She was always thinking of others. Truly in her life was exemplified the teaching, "In as much as ye have done it unto one of the least of these my brethern, ye have done it unto me." She enjoyed sending greetings of well-wishing to all her friends and acquaintances. Even on her death bed, she had her husband get a card so she could send it to another minister's wife whom she had learned was a patient also. Her heart was always in her work. She was a true helpful companion to her husband who survives.

Besides the parents and her husband, she is survived by two grandmothers, Mrs. Mary Pate and Mrs. Francis Parnell both of Bloomington, Indiana.

Funeral services were held at the First Methodist Church Bloomington, Indiana with the Rev. Merrill McFall, The Rev. E. Arnold Clegg, The Rev. Emery Parks and The Rev Wm. T. Jones officiating. Burial was in the Clear Creek Cemetery, Clear Creek, Indiana.

METHODISM'S OWN AND AMERICA'S FINEST FAMILY MAGAZINE

THE CHRISTIAN HOME

Seven Reasons Why You Should Use This Family Magazine

*Here is the answer to your church's problem of maintaining constant contact with the homes of your community.

*The Christian Home is the magazine parents use and appreciate. It takes the church into the home; it holds their interest in the church; it offers a warm invitation to prospective members.

*The Christian Home is the complete family magazine—there's something in every issue about every member of the family, from toddlers to teen-agers.

*For classes, discussion groups, and indivilual study, The Christian Home presents the official Methodist curriculum for parents.

*To help the family grow closer together The Christian Home offers Devotions for the Family, a section of Bible readings, poetry, graces, prayers, songs, and devotional materials for family worship every day of the month.

*The articles in The Christian Home are both authoritative and practical with the knowledge and experience of our most prominent educators, counselors, and religious leaders behind them.

*A copy of The Christian Home sent regularly to parents of children enrolled in the church school, or to those who have children and do not attend church—or even to families without church affiliation—will be a constant reminder of the interest of your church.
